What clients say

Roger is a fabulous keynote speaker, educator, and moderator. I have used his talents in all of these areas and more. If you want to effect change and advance your influence—then call Roger.

Karen Kotowski, Immediate Past CEO, Event Industry Council

I just returned from a fabulous MPI AZ monthly meeting. Thank you Roger for the excellent presentation and timely topic. This is an area we could spend a week of sessions on. It's meetings like this that get me reinvigorated for the industry, and it has been a while since I felt this way. Bravo!!!

Cathy Clifton, CMP, CMM, Meeting & Event Manager, Experient

Working with Roger is always a pleasure for a variety of reasons. From timeliness, professionalism, the way his message resonates with an audience and all the way up to his bowtie, Roger is a delight to partner with and we have booked him numerous times over the last few years.
