

FAQ:

Q: What sets you apart from other event planners?

A: I named my company "Art & Soul" because I truly believe as an event planner, what you create is your "art," but the people you work with are the soul. As a planner, you are invited into some of the most important days of your client's life. It is a place I hold in high regard. I strive to be a positive influence, with positive attitude and kindness to all. I pride myself on being proactive and trying to head off any issues, before they even arise. Also, attention to detail and unique designs. Im not afraid to think outside the box and go the extra mile to make every aspect of your special day as seamless and magical as possible.

Q: What if we only need certain services?

A: With 4 different packages, we have something for all our clients needs and every budget. If one of the 4 packages doesnt suit your needs, we can definitely customize a package for you.

Q: We are having a large wedding, are you able to accommodate everything we would need?

A: For larger events, I have an amazing team that I work with. All team members at Art & Soul adhere to our moto..."when you want the best, its all in the details." We take our responsibility to our clients very seriously and we work very well together to accomplish everything you would need.

Q: Do you have items that we can rent for our event?

A: Yes!! Art & Soul has many pieces that are available for rent. From fabrics to tea lights. If you need an item that we don't have, I have an extensive list of vendors and will go the extra mile to procure any items you may need.

Q: Will photos of our event get featured on a website, social media or blog?

A: First and foremost your privacy is our number one concern. All clients will have the chance to sign or not sign a photo release. While we photograph many of our events, this isn't something that is guaranteed.

Q: Day of Services, is this something you do? Also, do you have additional services at Art & Soul?

A: Yes! We offer day of coordination. Its not really just for the day. This service should actually be called "month of" service. Approximately 1 month before your event, we will meet and make sure everything is to your liking. This is probably the number 1 service I recommend to all clients. We also offer services in other areas. Give us a call today, to see how Art & Soul can make your next event...stress-free, organized and standout from the rest.

MORE QUESTIONS:

Q: Do you have a list of preferred vendors to use?

A: Yes! From the best websites, photo booths to florists and caterers, we have worked with some of the best companies in the industry & would love to share their information with you!

Q: Would you be willing to work with multiple event planners for our wedding?

A: Event Planning is a very detail oriented profession. Too many points of contact can create poor communication and misunderstandings. However, under special circumstances...I would consider it.

Q: Do you have Budget Management services?

A: Yes! Art & Soul can provide budget management, price comparisons, personal online shopping, etc. All budget related needs are always signed off by the client/contract signatories.

Q: Do you do destination weddings?

A: Yes, for an additional travel fee. If I am available, I am more than happy to create a custom wedding collection to suit your travel needs. Art & Soul currently services west-central Pennsylvania. If your event is outside that area, please call at least 12 months in advance to book...as dates fill up quickly.

Q: Why hire a wedding planner? Can't my family and bridal party handle all that?

A: To truly enjoy your wedding day. To invest in their friends, family & guests without worrying about the details themselves. To have a peace of mind that everything will run smoothly. Wedding coordinators are professionals who have experience and industry relationships that will allow the brides wedding vision come to life.

Q: How do we reserve our wedding date?

A: A 50% deposit & signed contract is required in order to get your wedding on the calendar. The remainder of your balance is due 30 days prior to your wedding date. We have many packages and payment plans available. We recommend hiring your event planning team 9-12 months prior to your event.
