2021 Boat Safety Inspection and Boat Show

Puget Sound Anglers has scheduled a Coast Guard inspector to inspect boats and issue 2021 Safety stickers for their boats.

While we are there, we decided to have our annual Boat Show. Come get your boat inspected by Coast Guard for safety and see how we have our boats rigged for fish, cruising, shrimping and just to spend a day on the water.

Location/time:

**Swan Town Marina parking lot
Saturday 10:00-2:00
