Resident Service Stipend Opportunity

We are excited to announce a new Resident Service Stipend opportunity for residents of Arlington Towne Apartments and Riverview Terrace. We are looking for a dependable resident to help improve our community while earning a monthly stipend.

What is a Resident Service Stipend?

A Resident Service Stipend is a part-time opportunity to assist with specific tasks around the property. Participants can earn up to \$200.00 per month. Under HUD rules, this stipend is excluded from your household income calculation, which means your rent will not increase as a result of receiving the stipend.

Available Position

Assist with light indoor cleaning duties, including sweeping, vacuuming, and other light cleaning tasks as assigned.
