

Two Trucks Needed for Haiti and the US

Habitat For Children Ministries, Inc.

Is looking for a donation of two working trucks to carry out mission activities.

For Haiti, an **Extended Cab 4 Door 4x4 Long Bed Truck** is needed to transport missionaries and supplies to destinations with rough or muddy terrain. **(Diesel would be great!)**

For the United States, an **Extended Cab 4x4 Truck** is needed to pick up various donations all throughout the state and carry heavy loads to the seaports to send over to Haiti for the mission work.

For more details, please contact:

Meschac St Amour- President
