

Our Partnerships are Key to Success!

We need the support of many businesses and individual donors to help the children and their families to reach their goals.

We look for sponsors to donate to individual students, classrooms and families. Through valuable contributions, we can provide necessary educational programming and supplies, nutritional meals, clothing, shoes, and other acute needs.

We are Grateful for Our Donors!

“For I was hungry, and you gave me food, I was thirsty, and you gave me drink, I was a stranger and you welcomed me, I was naked, and you clothed me, I was sick, and you visited me, I was in prison and you came to me.” Matthew 25:35-36

HABITAT FOR CHILDREN MINISTRIES, INC.

*“Together we can change
lives one child at a time!”*

Our Organization

Habitat For Children Ministries, Inc. is a 501(c)(3) non-profit ministry working in cities throughout Haiti and the United States for the good of the less fortunate children and families in the areas. Founded in 2005 by the President, Meschac St Amour, the goal of the ministry is to promote education while providing the basic necessities for youth in grades K-12 and through post-secondary school.

Habitat For Children Ministries, Inc. seeks to meet the physical and spiritual needs of children and their families by providing food, shelter, clothing, shoes, education, school supplies and acute medical assistance regardless of the youth's race, color, gender, religion or sexual orientation. The hope of this ministry is that the children of Haiti and the United States reach their goals at an early age, so they can learn to support themselves as well as their families and the communities where they live.
