Donation Policy:

501(c)(3): Registering as a 501(c)(3) provides some assurance to the donor that a donation is being used for charitable purposes. If you are not a 501(c)(3) please provide a detailed account of the organizational mission and purpose of donations.

Youth Activities: As an alcohol business we do not find it appropriate to donate to or sponsor youth activities (little league, boy scouts, girl scouts, summer camps, etc.). Donations will not generally be considered to any organization that primarily targets children.

Tax Funded: Any organization that receives tax payer funding will receive heightened scrutiny for donation requests. Your request should include reasoning as to why additional funding is required.
