

Archway Enterprise Technology Limited – 5m Tuffet System.

5m Inflatable Tuffet & Electric fan- Information

The inflatable tuffet has been manufactured by the same team since 2002, we have sold 135 tuffets to military and civilian teams worldwide, our very first tuffets are still in use today.

We give a 5 year guarantee and warranty that if any part of the tuffet fails within the first 5 years, we will repair it free of charge, we have never had cause to honour that statement.
