

Expression of Interest – Charity Partner for 2023 IWD Breakfast

2023 will mark the 13th year of the Equal Futures Project's International Women's Day (IWD) breakfast. Over the past eleven years the group has raised over \$200,000, which has been donated to various local charities who have partnered with us around the event.

Our partners in 2020 were:

Nutrition Plus

"We're really grateful for the support of the like-minded Equal Futures Project for their funding towards our Cultural Education Packages." Louise Glennie

Got Your Back Sista

"We're really excited to use the money the Equal Futures Project gave to us in the school program. It's so important to raise awareness in both young women and men and educate them on some of the red flags in unhealthy relationships." Mel Histon

The Equal Futures Project's 2023 IWD breakfast will be on Friday, 3 March. This is a corporate focused event to raise awareness of equity and diversity in the workplace. The funds raised at the event support local organisations that are committed to diversity and achieving a more equitable and inclusive society.

We are looking for a local organisation(s) to be our charity partner(s) for the 2023 breakfast.

If successful, your organisation will receive money raised through the breakfast and the raffle on the morning.

A separate event, following the breakfast, will be organised to present the donation to the successful organisation(s). Social and other media coverage around this event will also provide an opportunity to promote the work of each charity.

The chosen charity(s) will require a fundraising certificate, enabling Equal Futures Project to fundraise on your behalf.

The successful charity will be asked to:

- Provide a representative and volunteers to support the 3 March breakfast, and
- Provide a brief report and social media updates detailing how the donation has been spent, including how it benefited the community.

HOW CAN YOU APPLY?

We invite registered charities to submit an **Expression of Interest** to be considered as an Equal Futures Project partner for our 2023 IWD breakfast.

Please submit a proposal addressing the criteria below (500 word maximum):

1. How does your organisation support equity and diversity?
2. How does your organisation's activities reflect the mission and values of the Equal Futures Project?
(Please refer to our [website](#))
3. How would your organisation utilise the funds to improve equity and diversity in the Hunter Region?

Please send the proposal (PDF preferred) to equalfuturesproject@outlook.com

An independent committee will assess all applications based on the above criteria.

Note: While all charities are welcome to apply, we will give preference to organisations that we haven't supported in the last 5 years.

Expressions of Interest close at on 4pm Monday, 6 February 2023.

The selected charity partner(s) will be advised via email by **15 February 2023** and announced on the Equal Futures Project [website](#), [Facebook](#) and [LinkedIn](#) pages.

Any questions should be directed to equalfuturesproject@outlook.com with the subject line - **Charity Partner EOI**.
