

Jack Bradford

Safety Officer

MultiCare, Puget Sound Region

About

I live in Olympia with my partner Kristen, our dog Abby and cat Nova. I enjoy being on the water and I like playing soccer.

As Hospital Safety Officer I serve our community by helping keep each other safe. I aim to cultivate connection and belonging as we work together with the shared purpose of partnering for a healthy future.

Values

Respect

I embrace the infinite worth of all people, treat everyone with care and compassion, and affirm the dignity of each person with every interaction.

Collaboration

I actively work with others to achieve goals, recognizing that the power of our combined efforts will exceed what we can accomplish individually.

Learning Mindset

I always have more to learn. This attitude invites participation -- promoting psychological safety.

Purpose

Meaning

Our Patients, Visitors, and Employees deserve to heal and perform healing work in a safe environment.

Mission

My personal mission is to show kindness to those we serve and ensure the functionality and safety of our healing spaces.

Impact

Patients, Visitors, and Employees experience Zero Harm while utilizing our facilities and services.
