## THE TWENTY TEN COURSE

Built to stage The 2010 Ryder Cup, the first course to be built specifically for golf's greatest team tournament, The Twenty Ten measures a robust 7,493 yards off the back tees and has a par of 71.

With water hazards on half of its holes, the course has six signature holes and presents many more memorable tests and risk-and-reward dilemmas. One of the features of the spectacular course is its variety with many of the earlier holes having a links-like feel with long rough and greenside swales, before the middle section reveals the full extent of the lake-lined challenge.

A tough finishing stretch culminates in a real sting in the tail at the 18th.

## THE MONTGOMERIE COURSE

Offering a spectacular par 69 challenge, the legendary Colin Montgomerie has called on all his Ryder Cup experience to create a course with many exciting tests of strategy.

Montgomerie has also drawn on his roots in Scottish links golf to create a traditional feel enhanced by deep and penal pot bunkers.

Spectacular views abound with dramatic tee shots over valleys and breath-taking downhill shots. Host course for various professional and high ranking amateur events.

### THE ROMAN ROAD COURSE

The very first of the Resort's courses, Roman Road opened in 1995 and was ranked 'the top inland course in Wales' by Golf Monthly Magazine.

This par 70 course overlooks the Severn Estuary with views across to Somerset and Devon. Designed by Robert Trent Jones Senior, it is named after the old Via Julia Roman highway that ran through its fairways.

Venue for numerous European Tour and Senior Tour events, this challenging course features some long open fairways but also a number of twists and turns through trees and across streams.
