

In an era of daredevils, thrill-seekers, and flagpole sitters, Alvin Kelly will do anything for fame and the riches that come with it. The world's unluckiest sailor begins a quest in 1920s New York City that will take him to spend 49 days, cheating death every second, aloft above Atlantic City's Steel Pier during the summer of 1930.

ABOUT THE BOOK:

"Lively, historically rich romp through America's daredevil era." — BookLife, a division of Publishers Weekly

"A bittersweet indie gem about love, loss, and the absurd beauty of starting over." — tertulial.com
