

TWO-DAY WORKSHOP ON

Startup Management

*“Master the business, not merely the idea –
great startups are built on scientific
execution.”*

Resource Person

Dr. Sanjay Saxena
Human Potential Architect

+91-7408424211
sanjay.saxena.lms@gmail.com

How Will This Workshop Benefit the Participants?

Participants will acquire business acumen that bridges the gap between technical skills and business skills.

They will gain the skills to identify and develop business solutions to people's problems.

Participants will learn how to develop a competitive business strategy for their products.

They will gain the skills necessary to turn their startups into successful unicorns.
