Joe Fortier Memorial Sponsorship Tournament

The Southern Nevada Irrigation Association (SNVIA) is proud to host the **Joe Fortier Memorial Scholarship Golf Tournament**, created to honor the legacy of Joe Fortier and his lasting contributions to the irrigation and green industry community.

Joe Fortier was a respected professional in the irrigation industry who believed in sharing knowledge and supporting others in their careers. This tournament honors his memory by supporting education and helping the next generation of irrigation professionals grow.

Funds raised from this tournament will be used to provide **scholarship opportunities for irrigation and green industry professionals and students**. Our goal this year is to help SNVIA members attend key industry education events, such as the Desert Green Conference and Irrigation Show & Education Week, where they can gain valuable training, earn certifications, and build networks. In addition, we hope to provide **scholarships for students pursuing studies in irrigation and related green industries, helping to** develop the next generation of professionals.

Your sponsorship directly supports these opportunities and helps strengthen the future of the irrigation industry in Southern Nevada.

Thank you for your contribution to SNVIA's **Joe Fortier Memorial Scholarship Tournament**.
