

KNOW YOUR LIMITS

Course of Fire

Shooter to start with open empty chamber with hammer at half or full cock.

Rifle may be shouldered at the ready position or any safe shooting position.

Shooter will notify the RO when ready.

At the signal begin by engaging the largest of the 4 progressively smaller targets at 300 yards.

If the appropriate target is hit progress to the next smaller target.

If the shot is a miss, score resets to zero and shooter must start over at the largest target.

Shooter may stop at any point in the string to retain their current score.

5 Minute time limit

Unlimited rounds

Artificial rests (sticks) are allowed.

Shooter may fire course from any safe position, standing, sitting or prone.

Additional round to be loaded on the clock: may come from the body, pockets, loading blocks, belts, boxes and blankets etc.

Additional rounds cannot come from another individual or ANY body orifices!

Rifle Requirements

Any SASS approved single shot rifle or rifle caliber lever action. Optical sights not permitted.

All ammunition to be lead bullets, No jacketed rounds!

- **SCORING EXAMPLE:** Shooter engages and hits target 1, engages and hits target 2, engages and hits target 3. If shooter chooses to stop at this point they retain a score of 3 hits with 3 fired. If shooter chose to engage target 4 and misses the shooters score becomes 0 and shooter starts again on target 1.
