Apostolic Blessings!

Concerning the Adding or Transferring of Credentials:

There are many Ministers today who no longer feel as close to the organizations that they received their Credentials in as they once did and therefore desire to transfer their Credentials.

Because of the nature of our Network we are delighted that you do desire to affiliate with us in this level of Fellowship. We welcome your application and wholeheartedly commit ourselves to you and your ministry.

Any member who desires to add Ordination or Ministerial Credentials from Metro Apostolic Network to their existing Ordination or Ministerial Credentials may simply request them. If you desire to transfer their Ordination you can fill out an application.

Ordination and/or Credentialing creates a Covenant Relationship and our Covenant Members give a minimum of \$25.00 each month and may increase that as they feel led. There is an initial \$100.00 fee for your Credentials and every 3 years we have a \$100.00 renewal fee. This is to keep your Credential current and in good standing not only with the Network but with our Government also.

Much of the benefit of being a Covenant Member is found in the depth of the personal relationship we create. We take Ordination very seriously as Paul says in 1 Timothy 5:22 "Lay hands on no one suddenly" and again in 1 Thessalonians 5:12 "...know them which labor among you..."

I believe that new doors will open for you as we walk in the Covenant together. Membership in our Network will help you enter into a greater level of alignment in the Lord's purposes. We believe "*Doors of Opportunity*" will open for you because of it.

May the Lord make His face shine upon you!
