Natural gas was under budget due to the new efficient boiler system which lowered gas costs by \$2,383. The repair and maintenance for gutters were over due to repairs that were made. Repairs and Maintenance line was over due to bears damaging the trash shed doors. Snow

removal was over budget. VMC requested bids from 5 contractors and only two returned with offers. A contractor with a small vehicle is required for the purpose of clearing parking spaces. There was a \$4,000 increase in the snow removal cost from the previous year. There will be a \$3,100 increase to the 2020 budget. Mark moved to approve the 2020 budget. David second. Old & New Business

Lawsuit with Snow Fox

Jeremy spoke to the owners stating the Board worked to get a deal on the table. Jeremy asked if owners want to go forward with the deal or go into litigation. Some homeowners do not agree with the deal. A hearing is set with a judge on December 17th where Jeremy & Wendel Porterfield will represent the Snow Lion owners. Jeremy wants owners to know the association is going down a path to litigation. Dave, who works at First Bank, believes this will prevent Snow Lion homeowners from refinancing their units. Paul, Robin & Mark believe the association needs to move forward with the deal.

Projects Review

Megan spoke to the pending projects. She stated the retaining wall and exterior remodel was place on hold due to the lawsuit. Megan has been working with Leslie Davis regarding ideas for the interior remodel. Megan presented handouts, a display and material samples. The interior remodel will not consist of replacing unit entry doors, but will include the adjacent wood paneling, baseboards, hallway and stairwell carpet, installation of rubber underlayment on stairwells, and new light fixtures. Megan is looking to get bids on these items including metal handrails for the stairwells.

Insurance

Steve spoke to the insurance and reminded all owners to share the Association's insurance policy with their personal insurance provider to be sure there are no gaps in coverage.

Who to Call

Abel spoke to the owners regarding the best way to contact Vail Management Company with any requests they may have. A who to call sheet was provided in the packet.
