To help make family's budgets easier to manage, we offer annual plan with automatic, monthly payments. It's our No-Sweat Payment Option, and it delivers an ultimate level of convenience to our customers.

- Payment will be drafted each month with automatic renewal.
- There will never be a price increase without notification.
- Payable as per invoice and shall continue yearly thereafter until terminated by either party in writing at least 60 days prior to the anniversary date.

Give us a call today to find out more

210-325-7884

We will perform the following preventive maintenance and diagnostic procedures

SPRING/SUMMER SERVICE AIR CONDITIONING	FALL/WINTER SERVICE HEATING	
<ul style="list-style-type: none"> <input checked="" type="checkbox"/> Check refrigerant pressures <input checked="" type="checkbox"/> Check contactor <input checked="" type="checkbox"/> Check crankcase heater <input checked="" type="checkbox"/> Rinse condenser coil <input checked="" type="checkbox"/> Check/tighten electric connections <input checked="" type="checkbox"/> Check condenser fan <input checked="" type="checkbox"/> Check compressor and fan amps <input checked="" type="checkbox"/> Check armaflex <input checked="" type="checkbox"/> Check breakers <input checked="" type="checkbox"/> Check thermostat <input checked="" type="checkbox"/> Check indoor blower motor <input checked="" type="checkbox"/> Inspect/change filters <input checked="" type="checkbox"/> Inspect evaporator coil <input checked="" type="checkbox"/> Flush condensate drain line <input checked="" type="checkbox"/> Check temperature split <input checked="" type="checkbox"/> Check run capacitors <input checked="" type="checkbox"/> Check condenser pad <input checked="" type="checkbox"/> Check condenser clearance <input checked="" type="checkbox"/> I.A.Q. recommendations 	<p style="text-align: center;">Gas Furnace</p> <ul style="list-style-type: none"> <input checked="" type="checkbox"/> Test safety switches <input checked="" type="checkbox"/> Inspect burners <input checked="" type="checkbox"/> Clean flame sense <input checked="" type="checkbox"/> Check flame sense microamps <input checked="" type="checkbox"/> Check blower/vibrations <input checked="" type="checkbox"/> Check blower amps <input checked="" type="checkbox"/> Inspect flue pipe <input checked="" type="checkbox"/> Check fresh air return <input checked="" type="checkbox"/> C.O. test/check alarms <input checked="" type="checkbox"/> Clean pilot assembly <input checked="" type="checkbox"/> Check for gas leaks <input checked="" type="checkbox"/> Check gas pressure <input checked="" type="checkbox"/> Inspect/change filters <input checked="" type="checkbox"/> I.A.Q. recommendations <input checked="" type="checkbox"/> Check blower capacitor <input checked="" type="checkbox"/> Check duct work 	<p style="text-align: center;">Heatpumps/ Electric Airhandlers</p> <ul style="list-style-type: none"> <input checked="" type="checkbox"/> Check pressures <input checked="" type="checkbox"/> Check contactor <input checked="" type="checkbox"/> Check reversing valve <input checked="" type="checkbox"/> Check defrost cycle <input checked="" type="checkbox"/> Check safety controls <input checked="" type="checkbox"/> Check compressor amps <input checked="" type="checkbox"/> Check blower/vibrations <input checked="" type="checkbox"/> Check blower amps <input checked="" type="checkbox"/> Check aux. heat cycle <input checked="" type="checkbox"/> Check electric heat amps <input checked="" type="checkbox"/> Check heat contactor <input checked="" type="checkbox"/> Check/change filters <input checked="" type="checkbox"/> I.A.Q. recommendations <input checked="" type="checkbox"/> Check temperature split <input checked="" type="checkbox"/> Check blower capacitor <input checked="" type="checkbox"/> Check duct work

BENEFITS OF 3E MEMBERSHIP:

There are many advantages to maintaining your system. Aside from the peace of mind it brings, some of the benefits we've found to be most important to our customers include:

- Improved efficiency.
- Extended equipment life.
- Early detection of developing problems.
- Preferential breakdown service.
- Plus you will receive a 10% discount on any repairs you may need.
- Reminders twice a year to schedule your services.
- We will also include a 2 year parts warranty; instead of the standard 1 year warranty.
- Earn \$50.00 or \$100.00 credit per year, per household towards the purchase of a new High Efficiency System.
- Receive multiple system discounts.

GOLD 3E PLAN - MULTI-SYSTEM DISCOUNTS

1 System - \$240.00
\$20 per month

2 Systems - \$360.00
\$30 per month

3 Systems - \$450.00
\$40 per month

Each additional systems \$120.00 per year. Must be located at same address.
