<input checked="" type="checkbox"/> I.A.Q. recommendations	<input checked="" type="checkbox"/> Inspect filters
	<input checked="" type="checkbox"/> I.A.Q. recommendations

BENEFITS OF 3E MEMBERSHIP:

There are many advantages to maintaining your system. Aside from the peace of mind it brings, some of the benefits we've found to be most important to our customers include:

- Improved efficiency.
- Extended equipment life.
- Early detection of developing problems.
- Preferential breakdown service.
- Reminders twice a year to schedule your services.
- Plus you will receive a 10% discount on any repairs you may need.
- We will also include a 2 year parts warranty; instead of the standard 1 year warranty.
- Earn \$50.00 credit per year, per household towards the purchase of a new High Efficiency System.
- Receive multiple system discounts.

1 system \$160.00 • 2 systems \$250.00 • 3 systems \$340.00 • 4 systems \$430.00 • 5 systems \$520.00

Install All Major Brands • Service & Maintenance • I.A.Q. • Licensed & Bonded
