## Presidents' Message

Hello Cruisers

Well the New Year is upon us. Hope the holidays were good for you and your families. Our Christmas dinner was a fun event, everyone appeared to have a great time. Good food, good music, and good friends to share the time with. Thanks to all the people who put it together, Johanna Smith and Mary Margret Wetzler and a special thanks to my Super Woman Alma, who despite everything she has to do for me stepped up. Once again you out did yourselves.

I would like to thank all of you that participated in the Toy Drive. We were at Fosters Freeze again and even though it was cool we had a very good turnout. The toys were distributed by CHP to children in need in Napa. We participated in the downtown parade with 15 cars, it was a lot of fun. We were also invited to attend another event at the Dr. Wilkinson's Spa in Calistoga, we had a great time! We had two members participate in the Pie eating contest, great job Mike Butler and Jeanette Nicholson, you made us PROUD.

During our November General Meeting we voted on the board members for 2022. I welcome the new board (same as 2021 except Dianne Quick) and look forward to working with you all.

As always we are still looking for members to provide pictures and a brief history of their cars or projects for our newsletter. Please contact Brad if you have a story to tell.

As we are finally getting some much needed rain please be careful out there.

Keep the rubber side down, drive safe the rain is here.

Mike Phillips Sr.

Your 2022 President.

## A Special Thank You

Wow what a year, everything was planned as usual. The Main Street Reunion Show n Shine, Main Street Reunion, all canceled again. Then we planned a small car show of 150 that we thought was a go. So we made baskets from a lot of the donations then a severe rain storm. Who would have known "rain and another canceled event". Thank you Jeanette Nicholson and Audra Apodaca for helping me get the baskets together.

I personally want to thank all who have donated to the raffle and there time. I couldn't have done it without you! Hopefully 2022 will be much better and we can plan for these events with your help once again.

We didn't have to do much for the Christmas party since I got all the center pieces in late 2019. Thanks Mary Wetzler and Johanna Smith for your help decorating. Mary Morofsky for picking up the lights. I adore you all and our car family.

With much admiration and gratitude

Alma Phillips
