President's Message

Hello Cruisers:

Hope all is well, and you are not in a flood zone! We just got back from a camping trip, which was cut short because of RV Battery Problems. There was also a lot of rain, which put a damper on outside activities, so we packed up and came home a day early. The next day we went out and bought new RV Batteries. Hopefully we are set for our next camping trip to have some fun.

That brings me to thinking about getting our cars out of hibernation and ready for the spring car shows:

- ✓ Have you checked your car battery lately?
- ✓ Have you checked the air on your tires? What about your tires? Do they look good?
- ✓ This one is for Chris: Do you have water in your radiator? See any leaks in your Radiator?
- ✓ Have you checked your brake fluid? Is your brake pedal firm?

(Continued on page 2)

(Continued from page 1)

- ✓ Do you need to top off your Oil? Perhaps you might need an oil change for the new year.
- ✓ Check your transmission oil, and check the rear differential.

Just a few things to check that can make or break your next outing.

Have a great day, and remember to keep the Shiny Side Up!

Your President, Mike Butler

HAPPY 60TH ANNIVERSARY!
