FOR IMMEDIATE RELEASE

JET LINX SELECTS MEMBERJETS FOR DOT 380 COMPLIANCE

OpenSeat Exchange Enables Clients to Buy & Sell Empty Seats

Kansas City, MO. – January 15, 2020 – MemberJets, the industry leader in 14CFR380 solutions and compliance programs has been selected by Jet Linx, the preeminent private jet management and jet card membership company in the United States, to provide a Part 380 solution to its line-up of customer offerings.

MemberJets was selected by Jet Linx to provide a turnkey DOT Part 380 backend solution to its newly announced flight sharing program “OpenSeat” Exchange. Available exclusively on the Jet Linx App, OpenSeat Exchange offers aircraft owners and members the ability to buy or sell seats on Jet Linx flights on a per-seat basis.

“We are excited to be working with Jet Linx senior management, 2,000 jet card members and 111 aircraft owners to provide a viable and innovative solution to further improve, enrich and elevate the Jet Linx experience” said Ty Carter, CEO of MemberJets.

Jamie Walker, President and CEO of Jet Linx said, “We are excited to partner with MemberJets to offer this ground-breaking new program for our members. In 2019, there were over 40,000 empty seats on Jet Linx flights. OpenSeat Exchange is a solution that gives our clients the ability to buy and sell these empty seats on a per-flight, per-seat basis. It’s a secure, trusted, peer-to-peer exchange of open seats within the Jet Linx community.”

About MemberJets

MemberJets, the industry's only DOT 14CFR380 outsource provider, offers a seamless backend solution and full regulatory compliance for Part 135 operators and charter brokers to leverage the advantages of 14CFR380 without the significant encumbrance of expense and administrative procedures. MemberJets' 380 compliance program allows for industry participants to quickly and efficiently enter the evolving shared market without the burden of large legal fees, bonds and escrow accounts mandated by the DOT. MemberJets also provides a turn-key solution for charter brokers regulated under 14CFR295. For more information please call 844-411-JETS (5387) or email info@memberjets.com.

About Jet Linx Aviation

Jet Linx Aviation is a locally-focused private jet company founded in Omaha, Neb. in 1999 as a more personalized approach to private jet travel. Jet Linx offers two different ways to experience private aviation – jet card membership and private jet management – providing its clients with an all-encompassing, local solution to all of their private jet travel needs. Jet Linx is an IS-BAO Stage 3, ARGUS Platinum and Wyvern Wingman safety rated operator, an accomplishment earned by less than one percent of all aircraft operators in the world. It is headquartered in Omaha, Neb. and has base locations in Atlanta, Austin, Boston, Chicago, Dallas, Denver, Detroit, Ft. Worth, Houston, Indianapolis, Nashville, New York, Omaha, San Antonio, Scottsdale, St. Louis, Tulsa and Washington D.C. Jet Linx continues to expand into new markets every year, with planned future locations in Florida and California. For additional information, please visit Jet Linx (www.jetlinx.com).
