ety expresses their sympathy and condolences to the Kaiser family in the loss of their wife, mother and friend.

Doris was a valuable member of our small group and will be missed. While she never authored a book or never served as an officer, she did many times serve us and the community in her acts of love and charity. For as William Wordsworth wrote :

“The best portion of a good person’s life, Their little, nameless unremembered acts of kindness and of love.”

Or as the Apostle Paul wrote in his letter to the Corinthians:

“Love is patient, love is kind. It does not envy, it does not boast, it is not proud. It is not

rude, it is not self-seeking, it is not easily angered, it keeps no record of wrongs. Love does not delight in evil but rejoices with the truth. It always protects, always trusts, always hopes, always perseveres. Love never fails.”

It is recorded in the Gospels, that Jesus in speaking to a group of people about doing good for others, they asked, “but Lord when did we do these things?” So, it is when doing good and having love in our hearts is an unconscious act coming out of the nature of our character and being that it is pleasing to God.

I believe that Doris Kaiser was such a person.

So, today we say good-bye to her. She will always be remembered for the person she was. And while it may be dark and gloomy outside, in this room we bask in the warm glow of the example and the life of this good Christian lady!

Court House he said he was very disappointed in the condition of the building and its contents. The county has been in contact with the owner of the old Dollar Store, and is trying to negotiate purchasing the building. The

building cannot be bought for more than it’s appraised value. The building, if purchased, will have to be brought up to code including overhead sprinklers, and possible fire-proofing.

Larry Burmeister read the **President's report**, in it he states that he has been transcribing Probate and Civil Order books along with Patoka Schools. The Nomination on the Proctor House was mentioned along with festivals, fundraising, and the yard sale.

Roberta Toby gave the **Vice President's Report**. She noted that the time for the Establishment day Dinner had been changed from 6:30 to 6:00. She also mentioned that plat books are available for \$20. at the Chamber of Commerce.

Evelyn Jackson gave the **Proctor House Financial Report**: The beginning balance on January 9, 2011 was \$2,083.25 with an ending balance of \$1,994.49 on February 14, 2011. The doors will soon be installed at the shelter house along with toilets donated by the Jackson's and sinks donated by the Wiseman's. Word was received from Laura Renwick that the nomination had been received, but that she was disappointed in the documents received and had a lot of questions. There was nothing new to report as of tonight. Discussion on things that could be done at the Proctor House for Historic Preservation Month (May), included a Civil War re-enactment and/or dedicating the shelter house possibly to Harry Wood & Luke Wood.

Roberta Toby reported a \$6 deposit for copies from the

archives.

Larry Burmeister gave the **Newsletter Report** saying that it will be mailed out in March. A letter of confirmation has been received in the naming of Richard Eastridge as County Historian.

Helena Burmeister gave the **book sales** report. Total for books sold was \$148, postage \$12, one membership \$15 for a total of \$175.

The **Web-Site** Report was given by Bill Piper and Roberta Toby. There have been 7,900 visitors to the site since June 10, 2008. Bill has fixed the cemetery link that was not working.

Becky Hammond Stetter gave the **Ornament Report**. A deposit of \$72 was made, and it is included in the Proctor House financial report.

Robin Piper gave the **Scrapbook** Report. She is adding more pictures and will bring the books to the Establishment Day Dinner.

In **Unfinished Business** the Establishment Day Dinner was discussed in more detail. Evelyn Jackson has arranged for the program speakers to be Priscilla Fikes, President General of the National Society Daughters of the Union. Also, Carol Seals, President of Indiana Daughters of 1812 will be speaking. A list of Crawford County Civil War Veterans will be read. They will also try to get someone from the Clarion to write an article about the dinner. Chicken will be ordered from the Jay-C and everyone is asked to bring a covered dish.

In **New Business**, Ruth

Terry's daughter has several genealogy books she will donate to the Society when there is a secure place to keep them.

Jim Kaiser then made the motion with Becky Hammond Stetter seconding to fill the request of Daniel Crecelius as to what the needs of the Society would be if the County is able to secure the old Dollar Store building. The motion carried. Roberta Toby will choose the members of the future Building Archives Committee which will address those needs.

In **Correspondence**, Evelyn Jackson has been contacted by someone looking for information on Henry Batman from the War of 1812. Becky Hammond Stetter had several copies of Hoosier Heritage Magazine which had a story on English. Larry Burmeister made the motion to pay for the postage and printing of books. The motion carried.

Jim and Doris Kaiser thanked everyone who was able to attend their Anniversary party. Evelyn Jackson asked the question of having the yard sale and picking up donations again this year. It is a great fundraiser, but very hard work as everyone is getting a little older. We need to find more help for this event. The subject was tabled until the March meeting.

The motion to adjourn was made at 7:43 by Larry Burmeister and seconded by Helena Burmeister. The motion carried.

**April 2011 Minutes.**

The Crawford County Historical & Genealogical Society met on April 11, 2011 at the Crawford County Library at 6:30 P.M. The meeting opened with a moment of silence and the Pledge to the Flag.

Larry Burmeister read a portion from *The Patriot's Almanac* about the first shots fired on Fort Sumter starting the Civil War on April 12, 1861 at 4:30 A.M.

Recess was held while the Proctor House Committee had a short meeting.

The Society meeting was then called back to order.

The **March minutes** were read and Larry Burmeister made the motion to accept the minutes as read. The motion carried.

The **Treasurer's Report** was given by Sharon Morris. The beginning balance on March 9, 2011 was \$13,232.04 with an ending balance of \$13,193.29 on April 11, 2011. The report was accepted as read.

No reports were given by the President, Vice President or County Historian.

The **Proctor House Report** was given by the Wiseman's and the Jackson's. Drywall has been hung, finished, and painted in the bathrooms and the hall of the shelter house. The kitchen window has also been installed. The pump for the well that was donated by Richard Eastridge is not in working order, so a new pump will have to be purchased. The ditch for the water line still

needs to be dug and a pressure tank purchased. Greg Qualters is going to donate a tri-axel of rock to put around the shelter house.

Evelyn Jackson gave the **Financial Report for the Proctor House:** The beginning balance was \$1,854.33 with an ending balance of \$569.09 on April 11, 2011. The total assessed value on the house is \$97,800. The question was asked about having the shelter house assessed, and it was decided that someone would report it to the Assessor's Office. Hugh Jackson then made the motion to move \$5,000 from the general fund to the Proctor House account. A discussion was held. Evelyn Jackson read a letter that she is sending to County Council member Jerry Brewer explaining how the \$5,000 from the County Council is being used and why the addition to the house has yet to be removed. Becky Hammond Stetter then asked about waiting until after the yard sale before transferring the funds? If we wait until then, the shelter house will not be ready to use for the yard sale due to lack of funds. Hugh Jackson's motion was then voted upon with Jim Kaiser seconding. A vote by show of hands was taken and the motion carried.

Jim Kaiser then passed out the proposed operating procedures for the yard sale: Listed were the various jobs that need to be done, and the volunteer in charge of those jobs. Friday, July 1 will be set up day with no early sales. Saturday, July 2 hours will be from 9 am to 6 pm; Sunday, July 3 hours will be from 1 pm to 6 pm; Monday, July 4 hours will be from 9 am to 6 pm; and Tues-

day, July 5 will be closing and clean up day. Donations will be taken this year with no pricing. A record will be kept of the amount donated, donor's signature, and the number of items sold. A blood drive will also be held on Monday, July 4th. Mary Wiseman asked about the Society paying for lunch for the yard sale workers on set-up day? Becky Hammond Stetter suggested everyone buy their own meals this year for financial reasons, and that is what was agreed on.

Jim Kaiser gave the **Audit Report.** We need to start getting things together, such as turning in the inventory sheets. We also need to find the starting and ending dates.

Items recently donated by the Guido and Nadine Hammond family were: a bench, two pedestals and two vases from the English Presbyterian Church. A typewriter from Lelah Austin, the counties' first librarian, and a dry sink and bowl & pitcher from the Stuart A. Beals family.
