

WHAT IS A STUFFER?

Sandy's Stocking distributes thousands of filled stocking bags to kids in need throughout our local area.

We could not do this without our STUFFERS!

STUFFER = DONOR

STUFFER STEPS:

- 1** **Commit to being a STUFFER by signing up to fill 1+ bags.** Plan to spend \$20-\$25 per bag. Stuffers can sign up as individuals, for their family, OR they can be a GROUP STUFFER and coordinate the filling of 25+ bags with their business/organization.
- 2** **We will deliver your bag(s) to you in mid-November.** Each bag will be pre-labeled with a gender and age range.
- 3** **Fill the bag(s) with age-appropriate frivolities (toys, art supplies, etc) and necessities (school supplies, personal hygiene, etc.).** *We provide a list of suggested stocking stuffers for each gender & age group category - available on our website.*
- 4** **Return the filled bag(s) to us.** We will have various opportunities for you to drop off your filled stocking bag(s) including special designated Stocking Drop events and locations where you can drop off at your convenience. For GROUP STUFFERS, we will pick-up your filled stocking bags on a specified date and time.
