LUXURY REAL ESTATE SPECIALIST DJ JEFFERYS

INTRODUCTION

Meet David Jefferys, also known as “DJ.”

CONNECTION TO THE CHESAPEAKE

My journey with the Chesapeake Bay began in 1985 when I first sailed these local waters as a crew member. By 1988, I was spending every weekend in Saint Michael’s, I quickly realized this was where I belonged and made the decision to become a resident.

UNIQUE PERSPECTIVE

I have been licensed in both Pennsylvania and Maryland and I have long divided my time between Philadelphia and Talbot County. This dual experience enables me to introduce friends and clients to the unparalleled charm of the Eastern Shore.
