PLD (Pressure Limiting Driver) Diesel Horizontal Split Case Fire Pump  
Electric Motor Driven Inline Fire Pump w/ Soft Start Reduced Voltage Controller  
Electric Motor Driven Horizontal Split Case Fire Pump w/ Across the Line Controller  
RPZ Backflow Preventer w/ Supervised OS&Y Gate Valves  
Global Vision Digital Flow Meter w/ 4-20 mA Output  
Claval Automatic Air Release Valves and UL/FM Casing Relief Valves  
Claval Pump Suction Control Valve, Main Relief Valve, and Pressure Reducing Valve  
Supervised Normally Open and Normally Closed Butterfly Valves  
Supervised OS&Y valves  
Full Forward City Water Bypass Loop w/ Check and Supervised Isolation Valves  
Edwards EST4 Fire Alarm Control Panel w/ Voice Capabilities  
Induction Air Louvers and Exhaust Fan w/ Thermostatic Controls  
Diesel Fuel Tank w/ Venting, Electronically Supervised Level and Leak Detection

**- Completely Customizable Brand Non-Specific Training -**

**AC Fire Pump, Aurora, Fairbanks Morse, Peerless, Patterson, Dayton Dowd,  
Caterpillar, Clarke, Cummins, USEM, Marathon, Baldor, Lincoln**
