All Lots shall be used solely and only for residential purposes, and only one single family resident building for private residence, with or without a private attached or detached garage, shall be erected upon any one lot, but more than one lot may be used as a site for a single residence. The cost of such exterior maintenance shall be assessed against the Lot upon which such maintenance is done and shall be added to and become a part of the annual maintenance assessment or charge to which such lot is subject under Article VI hereof, and as part of such annual

assessment or charge, it shall be a lien and obligation of the Owner and shall become due and payable in all respects as provided in Article VI hereof. The Board of Directors of the Association, when establishing the annual assessment against each Lot or Living Unit for any assessment year as required under Article VI hereof, may add thereto the estimated costs of the exterior maintenance for that year but shall, thereafter make such adjustment with the Owner as is necessary to reflect the actual costs thereof. 5. No advertising sign or advertising matter shall be erected upon or displayed or otherwise exposed to view on any lot or any improvement on any lot in said development without the written consent of the Developer, and the Developer, through its agents, employees or designee, may enter upon any Lot upon which any such sign or matter is erected or displayed and summarily remove and destroy any such unauthorized sign or matter.

The cost and expense of such correction or cure shall be assessed against the Lot for which such cost and expenses are paid or incurred or in an amount which are anticipated to be paid or incurred shall be added to and become a part of the annual maintenance assessment or be made a special assessment or charge to which such Lot is subject under Article VI hereof; and the same shall be a lien and obligation of the Owner and shall become due and payable as provided by the Association and its Board. For the purpose of solely performing such cure and correction authorized by this paragraph, the Association, through its duly authorized agents, employees, and officers shall have the right, after reasonable notice to Owner, to enter upon any Lot and improvements, at reasonable hours, on any day except Sunday.

ARTICLE III

PROPERTY SUBJECT TO THE DECLARATIONS AND ADDITIONS THERETO

The real property which is and has been held, transferred, sold, conveyed, subjected to the imposition of the herein contained restrictions, conditions, limitations, easements, rights,

privileges, liens and charges of this Declaration is located in Glynn County, Georgia, and is described on Exhibit "A" attached hereto and incorporated herein by referenced (herein referred to as "Property" and "Properties").

Section 2. Additions to Properties:

Additional lands may become subject to this Declaration in the following manner: (1) Developer, its successors and assigns, shall have the right to bring within the scheme of this Declaration additional properties in future stages, provided that such additions are for residential use with use restrictions not less restrictive than those contained in this Declaration, with a lot size equal or greater than that provided by the Zoning Text approved for the property from time to time, and such lots and property are subject to assessments in accordance with the terms of this Declaration and Association Bylaws and provisions of the Articles of Incorporation.

The Additions under this section shall be made by filing of record a supplementary Declaration of Covenants and Restrictions with respect to the additional property which shall extend the scheme of the covenants and restrictions of this Declaration to such property.

Such supplemental Declaration may contain such complimentary additions and modifications of the covenants and restrictions contained in this Declaration as may be necessary to reflect the different character, if any, of the added properties, and as are not inconsistent with the scheme of this Declaration and the

conditions hereinabove set forth for such Additions. In no event, however, shall such supplemental Declaration revoke, modify or add to the covenants established by this Declaration within the Properties without complying with the provisions for amendment as hereinafter set forth.

Section 3. Merger or Consolidation:

Upon the merger or consolidation of the Association with another association, as provided in the Articles of Incorporation and/or Bylaws, or by statute, its properties, rights and obligations, may, by operation of law, be transferred to another surviving or consolidated association, or alternatively, the properties, rights and obligations of another association, may, by operation of law, be added to the properties, rights, and obligations of the Association as a surviving corporation pursuant to a merger. No such merger or consolidation, however, shall affect any revocations, change or addition to the covenants established by this Declaration within the Existing Property, except as hereinafter provided. A merger shall require the assent of seventy-five percent (75%) of a quorum of members.

ARTICLE IV

MEMBERSHIP AND VOTING RIGHTS IN THE ASSOCIATION

Section 1. Membership:

Every person or entity who is a record owner of a fee or undivided fee interest in any lot which is subject by covenant of record to assessment by the Association, shall be a Class A member of the Association, provided that any such person or entity who holds such interest merely as a security for the performance of an obligation shall not be member. No Owner shall have more than one (1) membership and one (1) Class A membership vote with regard to each Lot. Class A Membership shall be appurtenant to and may not be separated from the fee ownership of any Lot, and ownership of such Lot shall be the sole qualification for membership. The Association shall have two classes of voting membership which shall be as follows:

1. Class A. Class A members shall be all those Owners as defined in Section 1, Article IV. Class A members shall be entitled to one (1) vote for each Lot in which they hold the interest required for membership by Section 1 of this Article.

2. Class B. The Class B members shall be Developer, his successor or assign. The right of Developer to assign Class B membership must be incident to a total assignment of all right, power and privilege, liability and obligation of Developer, which Developer retains at the time of assignment, and may not be assigned separately from such complete assignment. The Class B member shall be entitled to four (4) votes for each Class A member vote outstanding from time to time, PROVIDED, HOWEVER, the Class B membership shall cease to exist on the earlier of the following events: (a) Developer, its successor or assign, delivering a written termination of the Class B membership to the Association at any time; or, (b) At 11:59 P.M. on May 1, 2002. Section 3. Extent of Members' Easements:

The rights and easements of enjoyment created shall be subject to the following:

(a) The right of the Developer and of the Association, in accordance with its Articles and Bylaws, to borrow money for the purpose of improving the Common Properties and in aid thereof to convey the same as security under deed to secure debt or mortgage or other debt instrument. In the event of a default upon any such debt instrument, mortgage or security deed, the lender's rights hereunder shall be limited to a right, after taking possession of such properties, to charge admission; use fees or other fees as a condition to continue enjoyment by members and, if necessary, to open the enjoyment of such properties to a wider public use until the mortgage or secured indebtedness is satisfied, whereupon the possession of such properties shall be returned to the Association and all rights of the members hereunder shall be fully restored; and,

(b) The right of the Association to take such steps as are reasonably necessary to protect the above described properties against foreclosure; and,

(c) The right of the Association, as provided in its Articles and Bylaws, to suspend the enjoyment rights of any member for any period during which any assessment remains unpaid, and for any period not to exceed thirty (30) days for any infraction of its published rules and regulations; and,

(d) The right of the Association to charge reasonable admission and other fees for the use of the Common Properties; and,

(e) The right of the Association to dedicate, or transfer or license the use of all or any part of the Common Properties to any public agency, authority, commission, municipal or county government or utility for such purposes and subject to such conditions as may be agreed upon; provided that no such dedication, transfer or license, or determination as to the purpose or as to the conditions thereof, shall be effective unless an instrument signed by members entitled to cast two-thirds (2/3) of the votes has been executed as to a license, and has been executed and recorded as to a dedication or transfer, and unless written notice of the proposed agreement and action thereunder is sent to every member at least ninety (90) days in advance of any action taken. ARTICLE VI

COVENANTS FOR MAINTENANCE AND ASSESSMENTS

Section 1. Creation of a Lien and Personal Obligation of Assessments:

The Developer, for each Lot owned by it within the property, hereby covenants, and each owner of any Lot, by acceptance of a deed therefor, whether or not it shall be so expressed in any such deed or other conveyance, shall be deemed to covenant and agree to pay to the Association: (1) Annual assessments or charges; (2) Assessments for exterior maintenance; and, (3) Special assessments for capital improvements.

Such assessments shall be fixed, established and collected, from time to time, as herein provided. The annual and special assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a charge on the land and shall be a continuing lien upon the property against which each said assessment is made. Each assessment, together with interest thereon and costs of collection thereof, as hereinafter provided, shall also be the personal obligation of the person or persons who was the owner of the property at the time when the assessment fell due.

Section 2. Basis and Purpose of Assessment:

Until the year beginning January 1, 1993, assessments shall be One Hundred Dollars (\$100.00) per lot. From and after January 1, 1993, the annual assessment shall be set in accordance with the budget prepared by the Board of Directors of the Association. The

Board of Directors shall meet sixty (60) days prior to January 1 of each year and shall prepare a budget for the maintenance and operation of and the improvement of properties, services, and facilities devoted to the purposes and related to the uses and enjoyment of the Common Properties and of the buildings situated upon the properties, including, but not limited to, the following:

(a) Fees and expenses of managing and administering the Association and maintaining the Common Properties;

(b) The expenses of utility services for the Common Properties, including water, gas, electricity, and sewer, if any;

(c) The costs of all insurance premiums on all policies of insurance obtained by the Association pursuant to the best judgment of the members and the Board of Directors;

(d) All rental and other payments required to be made for any property which is hereafter leased or rented for the use and benefit of the Association;

(e) Amount determined by the Board to be reasonably required as working capital of the Association, a general operating reserve, a reserve fund for replacements;

(f) Special assessments for capital improvements as provided for herein;

(g) Any ad valorem, real property, or personal property and special assessments affecting the Common Properties;

(h) All other amounts necessary to carry out the responsibilities of the Association and to provide for the purpose

of promoting the recreation, health, safety and welfare of the residents of the property.

The budget shall be made for the succeeding calendar year and shall estimate the amount of common expenses to be paid for such year. The amount of the budget and assessments shall be allocated equally to all lots and the allocated amount shall be the assessment for the succeeding year. The Board shall give each owner at least thirty (30) days notice of each annual assessment. The assessment date shall be January 1st of each year. The written notice of annual assessment shall contain a copy of the budget. The assessment shall be a lien on the assessment date. The Board, upon written request and for a reasonable charge, shall furnish a certificate signed by an officer of the Association stating whether or not the assessment on a specific Lot has been paid. Notwithstanding the foregoing, however, in the event the Board fails for any reason to fix the amount of the annual assessment, then, and until such time the annual assessment for such year have been fixed, the annual assessment equal to the amount of the last annual assessment against each Lot shall be deemed to have been imposed as of January 1st, subject to increase or decrease by formal action of the Board.

Section 3. Special Assessment for Capital Improvements:

In addition to the assessments provided for above, the Association may levy special assessments for the purposes of paying, in whole or in part, the cost of construction or reconstruction, unexpected repair or replacement of a described

capital improvement upon the Properties, including the necessary fixtures and personal property related thereto; provided that such assessment shall have the assent of fifty-one percent (51%) of the vote of each class of members who are voting in person or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all members at least thirty (30) days in advance and shall set forth the purpose of the meeting and comply with the requirements as specified in the Bylaws of the Association.

Section 4. Date of Commencement of Annual Assessments:

The first assessments shall be due for the balance of the calendar year 1992 and shall become due and payable on the 31st day of July, 1992. The assessment for any year thereafter shall be due and payable on the 31st day of March of said year; provided, however, the Board of Directors may provide due dates for each annual assessment payable in quarterly or more frequent installments by written notice to the Owners and by filing a recordable affidavit in the Office of the Clerk of Superior Court of Glynn County, Georgia, executed by an officer of the Association. The annual assessment, which may be levied for the balance remaining in a given year against any property which is hereafter added to the properties now subject to assessment, shall be an amount which bears the same relationship to the annual assessment as the remaining number of months that year bears to twelve (12) months, if such property is added at a time other than the beginning of the assessment period, January 1st of each year.

The due date of any special assessment under Article VI, Section 3, shall be fixed in the resolution authorizing such assessments.

Section 5. Duties of the Board of Directors:

The Board of Directors shall fix the amount of the assessment against each lot for each assessment period at least sixty (60) days in advance of January 1st of each year and shall prepare a roster to the Properties and assessments applicable thereto, which shall be kept in the offices of the Association and shall be open to inspection by any Owner. Written notice of the assessment shall thereafter be sent to every Owner subject thereto.

The Association, upon demand at any time, shall furnish to any Owner liable for said assessment a certificate in writing signed by an officer of the Association setting forth whether said assessment has been paid. Such certificate shall be conclusive evidence of payment of any assessment therein stated to have been paid.

Section 6. Effects of Non-Payment of Assessments:

The Personal Obligation of the Owner; the Lien; Remedies of Association. If the Assessments are not paid on the date when due (being the date specified in Article VI, Section 4) then such assessment shall become delinquent and shall (together with such interest thereon and costs of collection thereof as hereinafter provided) thereupon become a continuing lien upon the property, which shall bind such property in the hands of the then Owner, his heirs, designees, personal representatives, successors and assigns. The personal obligation of the then Owner to pay such assessments

however, shall remain the personal obligation for the statutory period and shall not pass to his successors in title unless expressly assumed by them. If an assessment is not paid within thirty (30) days after due date, the assessment shall bear interest from the date of delinquency at the rate of twelve percent (12%) per annum and the Association may bring an action at law against the Owner personally obligated to pay the same or to foreclose a lien against the property, or both, and there shall be added to the amount of such assessment the costs of preparing and filing the complaint in such action, and in the event a judgment is obtained, such judgment shall include interest on the assessment as above provided, and fifteen percent (15%) attorney's fees. To evidence a lien for sums assessed pursuant to this Declaration, the Association may prepare a written notice of lien, setting forth the amount of assessment, fee, charge or other amount secured thereby, the date or dates due, the amount remaining unpaid, the name of the Owner of the lot and a description of the lot. Such notice shall be signed by officer of the Association and may be recorded as provided by law in the records of the Clerk of Superior Court of Glynn County. Such lien may be foreclosed by the Association in the same manner as a lien for the improvement of real property is foreclosed in the State of Georgia. In any such foreclosure, the Owner shall be required to pay the costs and expense of filing the notice of lien and all attorney's fees the Association incurred in filing such notice and in prosecuting such foreclosure. All such costs and expenses shall be secured by the lien being foreclosed.

The Association shall have the right and power to bid at a foreclosure sale or other legal sale and to acquire, hold, convey, lease, rent, encumber, use or otherwise deal with the lot as the Owner thereof.
