

Matthew 1:1 Devotional

You're tired of the noise. The fluff. The Instagram-friendly Jesus who makes no demands.

But Matthew doesn't open with a vibe.

He begins with **bloodlines and covenants**.

One verse. Three truths:

- Jesus is **Yahweh's salvation**.
- Jesus is the **King with a claim**.
- Jesus fulfills **every ancient promise** to **bless the world through pain**.

You didn't stumble on this verse.

God brought you here.

Because the story you're living in?

It's not random.

And the King of that story is inviting you to turn the page.
