3-10 JULY 2022

NAIDOC 2022 GET UP! STAND UP! SHOW UP!

We have a proud history of getting up, standing up, and showing up.

From the frontier wars and our earliest resistance fighters too our Aboriginal and Torres Strait Islander communities fighting for change today—we continue to show up.

Now is our time. We cannot afford to lose momentum for change.

We all must continue to **GET UP! STAND UP! SHOW UP!** for systemic change and keep rallying around our mob, our Elders, our communities. Whether it's seeking proper environmental, cultural and heritage protections, constitutional change, a comprehensive process of truth-telling, working towards treaties, or calling out racism—we must do it together.

It must be a genuine commitment by all of us to **GET UP! STAND UP! SHOW UP!** and support and secure institutional, structural, collaborative and cooperative reforms.

It's also time to celebrate the many who have driven and led change in our communities over generations—they have been the heroes and champions of change, of equal rights and even basic human rights.

Getting Up, Standing Up, and Showing Up can take many forms.

We need to move beyond just acknowledgement, good intentions, empty words and promises, and hollow commitments. Enough is enough.

The relationship between Aboriginal and Torres Strait Islander peoples and non-Indigenous Australians needs to be based on justice, equity and the proper recognition of Aboriginal and Torres Strait Islander peoples' rights.

GET UP! STAND UP! SHOW UP! with us to amplify our voices and narrow the gap between aspiration and reality, good intent and outcomes.

GET UP! STAND UP! SHOW UP!
