How Does Audio Guest Book Work?

03 JANUARY 2025

Are you wondering how this audio guestbook is used?

This retro-style audio guestbook is super easy to use! Perfect for guests to leave personalised voice messages that you can relive and treasure.

Three Easy Steps:

1. Pick up the phone, wait for the beep
2. Record your message
3. Hang up!

It is such a fun and **interactive way** to capture live heartfelt, hilarious and crazy voice messages from your guests during your event! Your loved ones can share their wishes, gratitude, memories and inside jokes and you'll have just as **much fun** reliving them!

Guarantees **crystal-clear sound** quality, capturing every word and emotion.

The best part is, listening back to these messages will keep you smiling & laughing all day!

Hire this audio guestbook along with your photo booth package and we will carefully compile the recorded messages into an album for you.
