

CLS AGRICULTURAL MECHANICS PROJECT SHOW

DIVISION

RULES AND REGULATIONS

Ag Mechanics will be split into 2 Divisions: Wood and Metal. If a project consists of both wood and metal, it will be at the discretion of the Committee Chairman which Division the project will be entered into.

Ag Mechanics will have 4 Premium Sale Slots.

Sale Slots are:

- Overall Senior Wood Project
- Overall Junior Wood Project
- Overall Senior Metal Project
- Overall Junior Metal Project

There will be no refund of entry after the closing date. (Students must be present during the Judging to meet and discuss their project with the Judges.)

PURPOSE -To provide an opportunity for 4-H and FFA members to display projects constructed/refurbished in Agricultural Mechanics Laboratories and:

- A. To promote the development of skills in agricultural mechanics through competition.
- B. To recognize individual and group accomplishments in the area of agricultural mechanics.
- C. To provide an opportunity for the public to develop an appreciation of this important phase of 4-H and FFA youth programs.

RULES

1. All Agricultural Mechanics Projects are subject to the Cleveland Livestock Show's general rules and regulations.
2. No late entries will be accepted. See the Schedule of Events for Entry/Intent To Show Deadline.
3. Projects exhibited must have been constructed, fabricated, or rebuilt by FFA or 4-H members as a part of their agricultural mechanics instruction in Agricultural Science or as a part of their supervised work experience program.
4. A project can be exhibited only one time at the Cleveland Livestock Show and must be constructed, fabricated, or rebuilt within two calendar years of the exhibition date
5. Projects may have been individually or group constructed, fabricated, or rebuilt and may be individually or chapter owned. Individual projects will be judged as a market class. All group projects will be judged as an open show.
6. Each exhibitor may enter no more than one (1) individually constructed project in the market class; no individual exhibitor may enter more than two (2) projects – one in the market and one in the open. No more than two group projects can be entered, and they must be in open classes.
7. Projects that are group-constructed are limited to a 4-member team.
8. Each Ag-science class or group of students may enter no more than two (2) class or group-constructed projects and may have no more than one (1) entry in any project class.
9. All projects must be clean, painted, or treated and in a presentable condition even though

DIVISION

RULES AND REGULATIONS

they may have been used.

10. A working plan, blueprint, or drawing, along with photographs showing construction and a bill of materials, are required to be submitted with each project entered. A description of the service performed and before-and-after photos are required for reconstructed or refurbished projects.
11. All projects are to be identified with standard club exhibitor cards. Additional signs, banners, For Sale signs, etc. must be approved by the Committee Chairman.
12. Every precaution will be taken to protect the projects entered; however, neither the Cleveland Livestock Show nor the officials of this Committee will be responsible for any losses or damage to projects.

Projects will be judged on the following:

- A. Workmanship
- B. Design & Materials Used
- C. Practicality
- D. Degree of Difficulty
- E. Plans
- F. Finish

AWARDS will be given separately in the Open and Market Divisions. Overall Grand and Reserve will be given awards in the Open division. A Senior and Junior Overall winner in the Wood Division, as well as a Junior and Senior Overall winner in the Metal Division, will be given. **Grand projects from the market class MUST be sold in the premium auction.**

Ribbons will be given as follows per class:

- 1st - Blue
- 2nd - Red
- 3rd - White
