CLEVELAND LIVESTOCK SHOW PARADE RULES

What is considered a Float?

A float can be a creative design and/or construction that is placed on wheels and pulled by a car, truck, horse, mule or even a person. A float is not a decorated vehicle unless a trailer is pulled by the vehicle. All decorated vehicles are encouraged to participate; however, they will not be judged as floats.

What is the difference between Commercial and Non-Commercial Floats?

The difference between Commercial and Non-Commercial Floats is that a Commercial Float is a business that has decorated their float, and a Non-Commercial Float would be churches, schools, individuals, and organizations.

Float Labeling Requirements:

Lettering must be large enough to read. It must state the business/organization name. The labeling must be placed on both sides. You will be assigned a number for lineup closer to the day of the parade, via email and or text message.

The Day of the Parade:

You must line up between 1:00 p.m. and 2:00 p.m. beside the Sanctuary Church along Travis Street. PLEASE BE ON TIME. Judging will start at 2:00 p.m., if you are not in line by 2 p.m. your float will not be considered. Winners will be contacted by the CLS committee to receive their trophy. Judging will be based on the most creative float in Commercial Float and Non-Commercial Float categories. PARADE WILL START PROMPTLY AT 3:00 P.M.

* Antique vehicles; to include vintage vehicles or collector cars and motorcycles of all types are welcome and add a great deal to the parade.

WE THANK YOU FOR YOUR PARTICIPATION!
