

Alzheimer's Caregivers Network is proud to offer

DEALING WITH DEMENTIA

a free workshop for caregivers to those with Alzheimer's disease

Participation in the Dealing with Dementia workshop is proven to increase dementia knowledge and confidence in the caregiver's ability to provide care.

- 4 hour workshops (in-person and virtual options)
- Created by the Rosalynn Carter Institute for Caregivers
- Those who complete the workshop will receive the comprehensive Dealing with Dementia guidebook for caregivers
- Visit AlzheimersCaregivers.org to learn more

The Alzheimer's Caregivers Network is a 501(c)(3) non-profit organization that works to positively impact the lives of Alzheimer's disease caregivers through education, tangible resources & more.
