Frequently Asked Questions (FAQs)

1. **Does the 3 Ticket Limit include my student performer?** Yes, the 3 ticket limit INCLUDES the student performer & tickets must be for one seating until the 3 Ticket Limit ends. This means you may only buy 3 tickets total per student performer. Buy more than this & your tickets may be cancelled with NO REFUND. More tickets can be purchased starting on **Monday 10/19/26** & until sold out.

2. **I have multiple student performers at each seating. May I purchase tickets for each seating?** Yes, but to purchase tickets for both seatings, you must do a separate transaction for each seating & only purchase 3 Tickets Total for each student performer until the 3 ticket limit ends. Buy more than this & your tickets may be cancelled with NO REFUND. More tickets can be purchased starting on **Monday 10/19/26** & until sold out.

3. **When does the 3 Ticket Limit end?** On **Monday 10/19/26** you may purchase all the tickets you want until sold out & for BOTH Seatings if you wish. Separate transactions are required for each seating.

4. **Why is there a 3 Ticket Limit?** With so many Band & Choir students (more than 400) and a seating capacity of about 500 per seating, we need to ensure that all Band & Choir families have the opportunity to attend**.**

5. **Is my Band/Choir student required to attend Pumpkins & Pancakes?** Yes. This is a mandatory performance that is provided on the Band & Choir Calendar. However, he/she is NOT required to stay after their Showcase (which is PRIOR to the food service). Students who are **not** going to stay/join family inside for the remainder of the event will be escorted by a volunteer to the loop for pick up to go home.

6. **Is our family or student required to purchase an admission ticket/wristband?** Students are required to perform during the Showcase, but may be picked up after they play their two songs. Anyone wanting admission to the event (whether planning to eat or not) MUST purchase an admission wristband for any/all seatings he/she is attending. We have NO WAY to track who is/is not eating at the event, as it is served "Family Style."

7. **Do I need to purchase an admission wristband for my music student?** You only need to purchase an admission wristband if your student is staying and/or joining you after they perform during their Showcase (two songs).

8. **Can I watch the Showcase without purchasing an admission wristband?** No. Only people who have purchased an admission ticket, or received a volunteer wristband may be in the gymnasium during the event.

9. **What if I have a student in 6th Grade Band or Choir as well as 7th/8th Grade Band and I want to watch them BOTH perform?** Anyone at the event must have either an ADMISSION or VOLUNTEER wrist band. Therefore, you have two choices: 1) Purchase admission wristbands for BOTH event seatings for any/all family members attending; or 2) Purchase admission wristbands to ONE seating and sign up to VOLUNTEER at the other seating. (If you are interested in being an Adult VOLUNTEER, use this Signup Genius link to sign up: P&P Adult Volunteer Sign Up & choose a volunteer job that will get you a volunteer wristband. 13. **Can my student volunteer during the SAME seating he/she is performing?** No.

14. **Our family is unable to attend; however, my student is a 6th grader and wants to volunteer for the next seating. What should he/she do?** If they are volunteering later they have three options. 1. Go home and come back. 2. Wait outside with a book. 3. Purchase an admission wristband for your student for the 1st Seating, so he/she can stay after performing. We will not be providing supervision for them in between the breakfast and volunteering.
