

THE LEGEND OF BENICIA YACHT CLUB NORMAN DOG

Mr. Norman... was there always a Norman Dog.

NO, CHILD, THERE WAS A TIME THAT THE NORMAN DOG WAS MERELY A DREAM.

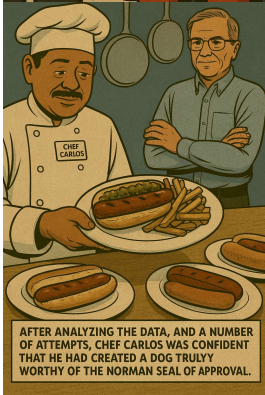

THE ORIGINAL HOT DOG WAS TOO SMALL, AND THE BUN TOO LARGE NOT WORTHY OF THE RANDY NORMAN SEAL OF APPROVAL.

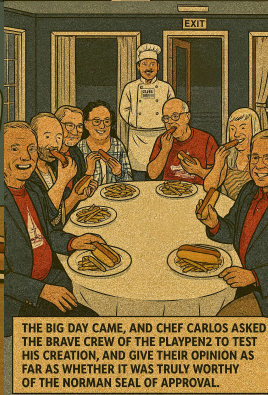

UNDAUNTED, CHEF CARLOS KNEW THAT ONE OF THE MANY TREASURES OF THE BENICIA YACHT CLUB IS THE TALENT AND COMMITMENT OF ITS MEMBERS, AND SOUGHT THE ADVICE OF PAST COMMODORE ANDY ZINKEVICH.

FORTUNATELY, ANDY WAS AN ENGINEER, AND IMMEDIATELY GATHERED ALL THE DATA TO DESIGN A DOG WORTHY OF THE NORMAN SEAL OF APPROVAL.

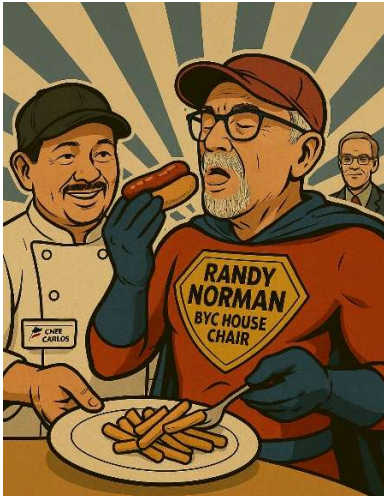

AFTER ANALYZING THE DATA, AND A NUMBER OF ATTEMPTS, CHEF CARLOS WAS CONFIDENT THAT HE HAD CREATED A DOG TRULY WORTHY OF THE NORMAN SEAL OF APPROVAL.

THE BIG DAY CAME, AND CHEF CARLOS ASKED THE BRAVE CREW OF THE PLAYPEN2 TO TEST HIS CREATION, AND GIVE THEIR OPINION AS FAR AS WHETHER IT WAS TRULY WORTHY OF THE NORMAN SEAL OF APPROVAL.

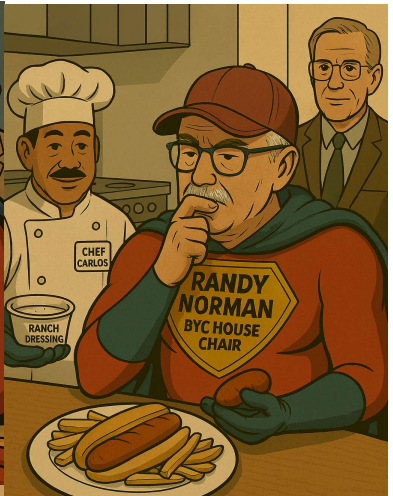

ALL WERE IN AGREEMENT THAT THE DOG WAS OF RIGHT PROPORTIONS, THE BUN TOASTED TO PERFECTION, THE MEAT SCORED AND GRILLED TO ENHANCE THE FLAVOR. SURELY THIS WILL MEET RANDY'S APPROVAL.

THE FINAL TEST WAS TO PRESENT THE DISH TO RANDY FOR HIS APPROVAL

RANDY FOUND THE HOT DOG COOKED TO PERFECTION. THE FRIES CRISP AND PLENTIFUL. BUT THERE IS STILL SOMETHING NOT QUITE RIGHT.

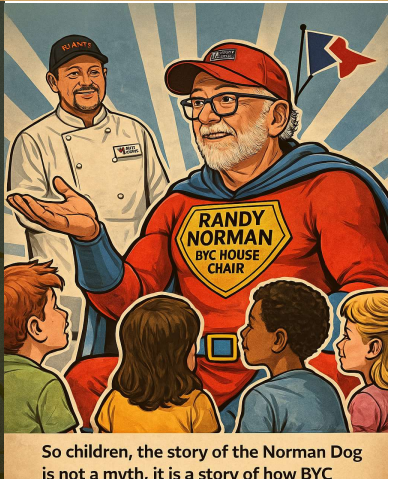

CHEF CARLOS WAS UNDAUNTED, AND KNEW PRECISELY WHAT HE NEEDED TO DO TO GET RANDY COVETED APPROVAL.

RANDY EXCLAIMED THAT THIS HOT DOG IS A SOLID MEAL AND YET NOT TOO PRETENTIOUS. THIS IS GENUINELY WORTHY OF THE NORMAN SEAL OF APPROVAL.

AS SOON AS COMMODORE BOHNET LEARNED OF CHEF CARLOS RECEIVING THE COVETED NORMAN SEAL OF APPROVAL, HE PROCLAIMED THAT FROM THIS DAY FORWARD, THIS DISH SHALL BE CALLED THE BENICIA 'ACHT CLUB NORMAN DOG, AND A PORTION OF ALL HOT DOG SALES WILL BE DESIGNATED TO THE HOUSE CHAIR FUND IN RANDY'S HONOR,

So children, the story of the Norman Dog is not a myth, it is a story of how BYC members face challenges as a community, and together accomplish things never thought possible.
