Happy New Year, BYC!

AS WE TURN the page to 2026, I want to thank everyone who helped close out last year on such a high note. December was filled with great events, festive gatherings, and the kind of camaraderie that makes the Be-

nicia Yacht Club feel like home. From Change of Watch to Bingo, Dueling Pianos, the New Year's Eve Black & White Ball, Holiday celebrations, the Holiday Open House, and everything in between, it was a wonderful reminder of how special this community truly is.

January brings a fresh start and an exciting path ahead. This year, we'll continue making progress on club improvements, strengthening our committees, and curating events that bring members together both on and off the water. Whether you volunteer, attend events, serve on a committee, or simply stop by to enjoy the view, your involvement makes a difference — and I encourage everyone to stay engaged and share ideas along the way.

As we begin the year, I also want to acknowledge a moment of loss for our club. We recently said goodbye to Kriss Kastle, an integral member of our Board of Directors, whose dedication and service meant so much to BYC. In moving

forward, the Board has thoughtfully rearranged responsibilities to ensure continuity, and we are grateful to those who have stepped up during this transition. We are also pleased to welcome a new Board member and look forward to the perspective and energy they bring to our leadership team.

I'm incredibly grateful for the support of our Board, committee chairs, staff, and members who give their time and energy "for the good of the club." It's an honor to serve as your Commodore, and I'm looking forward to all we'll accomplish together in the year ahead.

Here's to smooth sailing, strong friendships, and a fantastic 2026 at BYC.

Cheers,

Natalie Boltz Keller

KRISS KASTL: IN MEMORIAM

It is with deep sadness that we share the news of the sudden passing of our very own, Kriss Kastl.

Kriss was a dedicated and valued member of the Benicia Yacht Club, and served as a member of the Board of Directors for several years in the vital role of Treasurer. She approached her responsibilities with care, integrity, and a deep commitment to the good of the club.

Her willingness to serve helped guide BYC through important decisions and ensured the club's continued stability and success. Beyond her official roles, Kriss was a trusted presence who truly cared about the club.

During this difficult time, we are reminded that BYC is more than a place - it is a community built on friendship, dedication, and shared purpose. We extend our heartfelt condolences to Kriss's family, friends, and loved ones, and we hold them close in our thoughts. Celebration of Life details will be shared when they are received. 🇺🇸

On behalf of the Board of Directors,

Natalie Boltz Keller

PICYA REPORT

It's the start of a new year and the PICYA activities are on the board.

FIRST AND FOREMOST: the first PICYA delegates meeting will be hosted by our very own club! On February 2nd, at 4:30PM, all the delegates from the surrounding Bay and Delta yacht clubs will gather right here in Benicia. To be offered the first meeting of the year is a great honor. Every meeting your PICYA delegates, Randy Norman and Rick Albers, have attended last year, BYC was mentioned by so many people. They love the view of the straits, Mt. Diablo. They love the "charming" little town of Benicia and its welcoming feel. They love the fact they can stay on their boats when they cruise in and just walk downtown, where they can experience our hamlet firsthand. And they love the Benicia Yacht Club. The services (we are one of the only yacht clubs around that has a fully staffed kitchen and bar), they love the staff and, of course, they love the members and the welcome they always receive. Please welcome the greater Bay and Delta boating community when they come.

Stepping back a little, on January 24th, PICYA will have their annual Commodores Ball. This year, it will be held at the Marin Yacht Club. This event provides the installment of the new officers for the year. Although it is called the Commodores Ball, the event is not restricted to current and past commodores. If you wish to attend, you may [register online](#). 🇺🇸
