Here we are in October, and we will soon have a **fresh Board of Directors.** I look forward to their new ideas to keep our beloved Club moving forward. I am coming to the end of my term as Commodore, and after visiting various other clubs, one message comes through for all yacht clubs and worth a review of our own here:

Core Values

Commitment to quality and exceptional service in all that we do • Balanced consideration of the needs of all members • Be a responsible neighbor supporting our local community

Aspirational Values

Commitment to the vision, mission, values and long-range goals of the Club • Effective governance through inclusive and objective decision-making • Stewardship of resources for the benefit of current and future members • Day-to-day excellence in the execution of our values

Membership Oath

Do you promise to the best of your ability to encourage the sport of yachting, promote the practice of seamanship and navigation, be a good steward of our aquatic environment, participate in Club activities, and abide by Benicia Yacht Club By-Laws and Policies?

Vision That Benicia Yacht Club be recognized as a premier Yacht Club in the Bay Area

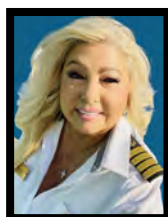

Mission Statement

Encourage the sport of yachting and seamanship and provide events and activities in welcoming facilities to foster enduring friendships

Here at BYC, I am most impressed by our loyal staff, Jeannie, Mya, and Carlos especially—they have stuck with the Club through thick and thin and along with Randy Norman, they are the real backbone of BYC.

Thank you for allowing me to take the helm for the last two years.

Cheers,

Commodore Dena Stults

"Hello Boy! What's that you've got there?"

🚤 Thank You Jazz Cup Breakfast Crew ❤️

I just want to give a big shout out to our Jazz Cup Breakfast Crew: Scott, Rachele, Bob & Cheri. Rich and I started this four years ago. We race and party on Saturday, then show up at 7am (!) on Sunday to make breakfast burritos and Bloody Mary's. We send all the sailors back to their home ports with a full belly. Thank you all who came out to support this fun event.

FYI we had 71 boats registered. *E Ticket* came in 1st in our division. We did not bring home the big trophy but we did do awesome and it was a great race.

—Angela Grigas, Port Captain

(Who won the race? *Nuckelevee*. They also won it last year. A very very fast boat.)

Dear BYC Staff and Volunteers,

I want to extend my deepest gratitude for your incredible dedication and hard work to help Jazz Cup 2024 be a success. Your willingness to give your time and energy so generously has made a profound impact on our event being a memorable and fun time for all.

Your efforts do not go unnoticed. Thank you for all that you do. Your spirit and enthusiasm are truly appreciated, and we are so fortunate to have you as part of our team.

With heartfelt thanks,
Natalie Boltz Keller, Rear Commodore

Bob Bohnet for Commodore

Sounds crazy, but I am signing up to run for Commodore for a second time. Our family has been members of the Benicia Yacht Club for 16 years.

In those years, I have served as Director, Secretary (*twice*), Treasurer (*twice*), Rear Commodore (*twice*), Vice Commodore, and Commodore. Our family enjoys this club and the many friends that we have here.

I will continue to be dedicated to upholding our Club's honorable traditions and keeping our Club a great place for our members and guests. Please consider voting for me as Commodore.

For the good of the Club! Cheers!

Candidate for Vice Commodore— Natalie Boltz Keller

Dear Benicia Yacht Club Members,

I am writing to express my enthusiastic interest in the Vice Commodore position for Benicia Yacht Club. Having served on the Board of Directors for two years, I am deeply committed to our mission and vision. I believe that my long history with BYC makes me a strong candidate for this role.

In my current role as Rear Commodore, I have honed my leadership and organizational skills. I have successfully executed two Jazz Cup events while also helping introduce new members to the wonderful world of BYC.

The role of the Vice Commodore is critical in supporting the Commodore and ensuring the smooth operation of our Club. I understand that this position requires not only a deep knowledge of business management and BYC operations but also the ability to step in and lead when needed. As a small business owner and current working professional, I feel this experience aligns well with these requirements. I am dedicated to the growth and success of our Club and am committed to working collaboratively with the Commodore, board members, and all Club members.

Thank you for considering my candidacy for the Vice Commodore position. I am excited about the opportunity to contribute to BYC in this new capacity and am confident that my skills and dedication will help us achieve our goals.

—Sincerely, Natalie Boltz Keller

Candidate for Rear Commodore— Joe Kallios

- Benicia Yacht Club member since 2011
- Race Committee Chair
 - * Worked with the Jazz Cup joint committee as the representative for BYC regarding the regatta
 - * Coordinated, set up and emceed the annual Beer Can Racing Awards Dinner
- 40 years in leadership positions
- Chaired and worked on various fund-raising events for elementary and high school organizations
 - * PTA president
 - * Board of Regents
 - * President of Diocesan Parent Guild
- President and Board member of the Home Owners Association where I reside
- Member of the Benicia B.D.E.S. Portuguese Society for decades
 - * Obtained and set up the layout and installation of dispensing systems for the sales of alcohol and refreshments
 - * Chaired bar activities including purchasing, staffing and set up
 - * Worked on local fund raisers and the annual festival

Motivation to serve:

I want to be a part of the team that enhances our Club and ensures that it thrives for the foreseeable future!

There are two director openings, each serving for two years. The following candidates have applied; MJ Schmidt and Rick Albers will continue their own 2-year terms.

Candidate for Director—Susan Bittner

My name is Susan Bittner and I have been a social yacht club member since 2022. I have enjoyed the relaxed and friendly atmosphere of the Norton Lounge.

Six months ago, I was asked by Dena to fill in for Kathleen Jones as a Director. I've learned much about the activities and sailing ventures, as well as the costs of keeping the Club solvent.

Since that time, I have volunteered to do yard work and clean up before Opening Day, decorate the Regatta Room for an event, walk the parade route for BYC on July 3, assist with membership over the Red & White Fleet weekend, and was Officer of the Day for two hours for Jazz Cup.

I would like another term as Director, so please vote for me.

—Susan Bittner, Acting Director

Candidate for Director—William (Mitch) Kessler

Greetings Members—My wife Cindi and I have been members of the Club since moving to Benicia in 2016. We actually held our wedding reception at the Club shortly after joining. We are avid sailors who compete Thursday nights in the Beer Can series as well as other races when available.

I am currently retired from the private Club industry and have more than 35 years of leadership experience in a variety of clubs as General and Regional Manager ranging from Golf and Country Clubs to Tennis and Fitness Clubs, most recently serving as General Manager of Sausalito Yacht Club. With more time to spare, I feel it is time to give something back to the Club we have enjoyed for the past eight years and serve as a board member. My new retirement gig is working part time as a substitute teacher in several local school districts including ours.

Professionally, my club-related business responsibilities included budget and financial planning, revenue generation, contract negotiations, capital projects, public relations and communications. I constructed, reviewed, and analyzed budgets and forecasts for multiple properties and projects. In short, I have extensive club experience and expertise that might benefit BYC. I hope to assist in making decisions that are beneficial to the overall membership with consideration to the unique issues of each member's interest in the Club.

Personally, I/we love BYC and live just over a block away. We enjoy dining at the Club, casual sailing and racing and cruising in our new boat. Cindi and I have five grown kids between us and are hoping for some grandkids down the road. We do spend a bit of time in the mountains and we also love skiing in the winter.

As a potential board member, I would welcome the opportunity to answer anyone's questions about my experience or intent at any time. I can be reached at (925) 389-6522 or at mitch.kessler@sbcglobal.net. I respectfully seek your vote and support as a new Board Member.

Sincerely, William (Mitch) Kessler, CCM, Member #2231

*****Jazz Cup 2024: A Nautical Tale of Triumph and Teamwork*****

The Jazz Cup 2024 was a thrilling race, one that saw us crossing the finish line faster than most, with an impressive elapsed time of under three hours. Our weekend adventure began on Friday afternoon as we sailed the *E Ticket* from Benicia to Richmond Yacht Club. The evening wind, though light, created a relaxing and picturesque journey across the water.

Race day dawned with a forecast of gentle winds, prompting the Race Committee to shorten the course, moving the start line to the vicinity of Red Rock Island. We were in the fifth starting fleet, among 11 highly competitive boats. Our start time was set for 11:25am, with the Port side of the course showing the most promise—a side we strategically chose. The strong flood current played its part, causing most starters to lag behind. However, we managed an exceptional start, leading our fleet off the line.

As we sailed towards the weather mark, we briefly lost a few positions, rounding it in third place. But as we approached the Brothers Islands, we chose to hug the Northwest side of the course, hoping to catch more of the current near the channel. The gamble paid off, and we surged into the lead. Then rounding Point Pinole, two boats cut the corner on us, taking advantage of a more favorable current and wind, slipping past us.

Approaching the Carquinez Strait, we observed that the South side near the C&H Sugar Factory had lighter winds. We passed under the Carquinez Bridge on the North side. Our two lead competitors went South, giving us the opening we needed to regain our lead. We focused on staying clear of wind holes, navigating through streams of favorable flood current. In the end, we crossed the finish line first in our fleet! We were third place in the overall Jazz Cup competition.

As we docked and began putting the boat away, the live music from BYC drifted across the marina, providing a fitting soundtrack to our day. Arriving in Benicia, we were welcomed by friendly faces on the shore and many friends who came down to our berth to hear our tales of the race.

Though we didn't claim the overall Jazz Cup victory, we reveled in the fierce competition, the splendid weather, and the camaraderie of the day. Congratulations to other strong Benicia Racer performances. Reuben Rocci on *Swiftness* placed second for Jazz Cup and David Stellato on *Living Happy* placed first in their division.

The crew of *E Ticket* and the community that supports us are nothing short of extraordinary. This event requires immense effort, from preparation to transportation, provisioning, and, of course, racing. Our crew's dedication and skill are unparalleled—without them, we wouldn't be nearly as competitive, nor would we have as much fun.

A heartfelt thank you to the Benicia Yacht Club and the entire community that supports the Jazz Cup, making it the remarkable Benicia event it is!
