

THE OFFICIAL PUBLICATION OF THE BENICIA YACHT CLUB - PICYA CLUB OF THE YEAR 2025

FOUNDED IN 1977

# From the Helm

Commodore Natalie Boltz Keller

AS I TAKE the helm as your new Commodore, I want to begin with heartfelt gratitude. This club has been part of my life for as long as I can remember, from growing up within these walls to watching my father serve as Commodore and now having the privilege to continue that legacy myself. It's truly an honor to serve the Benicia Yacht Club and this remarkable community of members, sailors, and friends. As we look ahead to the coming year, my goal is simple: to build on our strong foundation while continuing to evolve. We have exciting plans in motion, from clubhouse improvements and member events to volunteer opportunities that strengthen our sense of connection. Together, we'll ensure BYC remains a vibrant, welcoming home for everyone who loves the water, the camaraderie, and the unique spirit that makes this place so special.

and decorating to attending one of our special events. We had live music 21 times and curated 17 special member events this year! The year ahead promises to be full of possibilities, and I invite each of you to get involved, whether it's volunteering for a committee, joining an event crew, or simply spending more time here enjoying all the club has to offer.

Immediately following our amazing Halloween Party featuring Sixteen Scandals, we hosted BYC's first-ever Comedy Show, and the turnout was fantastic! Jr. Staff Commodore Bob Bohnet secured the talented comedians, and the entire house was filled with laughter. In November, we also took a meaningful moment to honor our veterans, members and friends who have served our country with courage and dedication. Thank you for your service and for the sacrifices you and your families have made to protect our freedoms. We then wrapped up the month with our annual Friendsgiving, graciously hosted once again by Susan Linn, a day filled with incredible food, great company, and true friendship.

Let's raise a glass to a new year of smooth sailing, shared memories, and bright horizons for the Benicia Yacht Club.

I want to thank everyone who helped make 2025 such a success, from planning, hosting,

See you at the club! 🇺🇸

## Happy Holidays!

Hello and Happy Holidays. As we wind down the year, we must not forget that there are many things to be done this year. As a club, we have events to host, including our annual Holiday Open House, to be held on the same day as the Benicia Tree Lighting, on Friday, December 5. The Lighted Boat Parade, sponsored by the Benicia Marina, is the following weekend, on Friday, December 12. We look forward to all the lights which will adorn the boats of our members. There are photos of decorated boats scattered throughout this edition of the WindWord. Did you know we have a new mascot? Commodore Natalie Boltz Keller is holding a naming contest with the submitter of the winning name being awarded an as-yet-to-be-named prize. (Page 5).

This year, a lot of work was done

around the "house" by the House Committee, lead by Randy Normal. Biggest challenge? A new HVAC system, with many members volunteering in various ways. Photo on Page 4.

And, this month wraps up the activities of the PICYA, the Pacific Inter-Club Yachting Association. We won some things! Check out the PICYA report on Page 8.

Have a safe holiday season and please do not forget the needy. -Ed.

## MEET OUR NEW BYC MASCOT!

**T**HERE'S A NEW face around the club — and he's already making waves! Thanks to a donation by Angela and Rich Grigas, the Benicia Yacht Club is proud to introduce our brand-new club mascot, who's here to bring a little extra charm, cheer, and nautical spirit to our home on the waterfront.

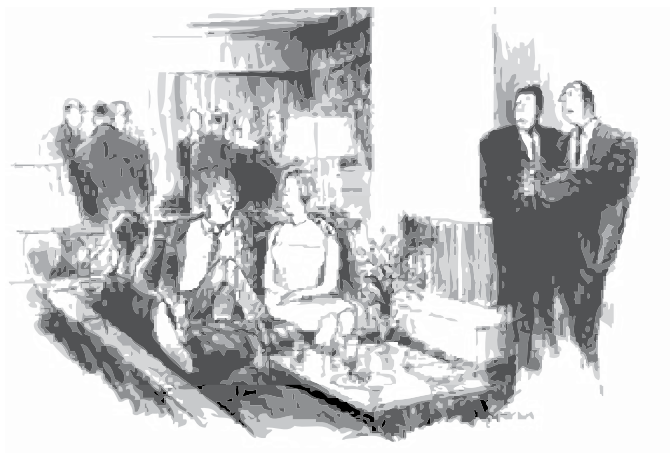

You'll be seeing our new friend dressed up throughout the year — decked out for every holiday and special occasion, from St. Patrick's Day to Opening Day, the Fourth of July, Halloween, and everything in between! He'll be a year-round reminder of the fun, creativity, and community that make BYC so special.

But before we can officially welcome him aboard, he needs a name — and we want our members to decide!

We're inviting all members to submit your best name ideas for our new mascot. Whether it's clever, nautical, historic, or just plain funny, we want to hear it. Drop your suggestion in the "Name Our Mascot" box at the club.

Once we gather the submissions, members will get to vote on the winning name, and the winner will receive bragging rights — and maybe a little surprise prize!

Let's give our new mascot a name worthy of the BYC spirit — and keep the fun sailing all year long! 🇺🇸🇨🇦

*"He's wonderful when he's on a boat."*

## HONORING OUR VETERANS

Natalie Boltz Keller

The Benicia Yacht Club extends its deepest gratitude to everyone who attended and supported the 35th Annual Veterans Dinner. This long-standing tradition remains one of the most meaningful events of our year — a time to gather in fellowship and express our profound appreciation for the men and women who have served our country with courage and dedication.

The evening was filled with heartfelt moments, shared stories, and a strong sense of community pride. We are sincerely thankful to all who helped make the event possible — from the volunteers who devoted their time and energy, to the members and guests who joined us in honoring our veterans.

Together, we continue to uphold the spirit of service, remembrance, and gratitude that defines the Benicia Yacht Club.

Special thank you to our volunteers, who came out in numbers, to support this event with cooking, decorating, serving, bussing tables, cleaning. We could not do this without you! 🇺🇸

## RACING NEWS

### Frostbite Race #1: Light Air, Heavy Current, and a Whole Lot of Fun

**T**HE FIRST FROSTBITE race of the season brought us just about everything—fickle breezes, a stubborn 2–3 kt flood current, and even a touch of sunburn.

With a light 3–5 kt whisper of wind out of the southwest at the start, the fleet set off from the line off the Marina entrance toward the 9th Street (21A) mark and back. But almost immediately after the start, the breeze shut down and the flood increased, sending boats sliding backward toward Martinez.

Warwhoop, E Ticket, and Hurricane Gulch wisely dropped anchor—an excellent call, as the rest of the fleet drifted off like fallen leaves in a river.

About 30 minutes later, the wind teased in from the East. The anchored boats hoisted and got moving again, spinnakers full and sometimes saggy as they crept toward 1st Street. E Ticket grabbed the early lead, with Warwhoop, Hurricane Gulch, and Fog Cutter close behind. Near the 1st Street islands, E Ticket sailed into a patch of strong current and almost no breeze, sliding backward while Warwhoop slipped by to the North and rounded 1st St Islands in first. As E Ticket followed, the flood ramped up past 3 kts. Trying to stay out of the worst of it, E Ticket cut the corner a little too close and were pushed toward the rocks—forcing a split-second crash gybe that cleared the boulders by just three feet. A little too exciting for comfort! From there, the lead swapped again as E Ticket passed Warwhoop, only to be repassed before 9th Street. Warwhoop rounded ahead but had their hands full wrestling the spinnaker down with only two crew. E Ticket executed a clean douse, rounded smoothly, and reclaimed the lead—holding it all the way to the finish with Warwhoop in hot pursuit and close behind.

Vitamin Sea staged an impressive comeback after their drift toward Martinez and secured a solid third place. The remaining three boats were unable to finish and shared fourth. It was fantastic seeing six boats out there shaking off the cobwebs and embracing the challenge of the day - classic Frostbite fun. 🇺🇸

#### RESULTS

2. *Warwhoop* – Chuck Hooper
3. *Vitamin Sea* – Steve Corwin

End of Year!

**H**ELLO MEMBERS. THE boating season is coming to an end (but not for the racers) and the BYC PICYA delegates have brought back some good tidings.

At the annual Awards Dinner, held on November 9 at the Berkeley Yacht Club, BYC earned two awards: 1) A Perfect Attendance Award for participation in Delegate events throughout the year, and 2) BYC was awarded a Club of the Year honor. This is an honor for any yacht club which is a member of PICYA. Both awards reflect engagement of the Club and its members in the active boating community of Northern California. You should all be proud of what you have done for the state of recreational boating.

Let's summarize some of the boating achievements of the year which were recognized by PICYA.

1. BYC hosted a talk by the Recreational Boaters of California (RBOC). For the uninitiated, RBOC is a lobbying group that pays attention to boating issues at the state level and advocates on behalf of individuals who enjoy recreational boating. Some of the issues include regulations on anti-fouling paint, E15 fuel requirements, Delta conveyance, handling the Golden Mussel infestation of California waterways, and more. The talk our club hosted raised over \$1000 in donations to help pay for the lobbyists that work for us. Thank you to all members and community members who attended the talk and donated.
2. Jazz Cup Regatta, our annual big race/open house event gave us visibility to the greater Bay and Delta community as it invited sailors from everywhere to participate. Encouraging community participation in our events is a large part of winning a COTY award.

Looking forward to next year, PICYA has asked us, the Benicia Yacht Club to host one of the Delegate meetings for 2026. And not just any meeting but the first of the year. This is an honor for our club. The meeting will be held on February 2 and will surely bring a large turnout. We will keep members posted about details as the date approaches.

In the meantime, our awards are hanging on the west wall at the top of the front staircase. Go check them out! 🇺🇸
