SYNOPSIS

A Kind of Hush examines how life is seldom a tidy affair exploring whether there is a gray area between right and wrong. The Mackie family, after enduring an unthinkable tragedy with the death of their young son, finally moved toward a new life until one June day while enjoying an outing at a nearby rugged park, their lives again turned upside down. A plunge off a shale cliff left one parent dead and the other solely responsible for their teenage daughter and seven-year-old son. Was this an accident or something more heinous, and if so whodunnit and whydunit? The heart of the novel centers on how each survivor deals with the circumstances and subsequent revelations surrounding the incident while a mantle of ambiguity – a kind of hush – hangs between them like a live grenade without its pin.

Advanced praise, Diane Donovan, Sr. Reviewer, Midwest Book Review and included on Donovan's Bookshelf Recommended Reading:

A Beautifully Written Read

A novel with many meaningful messages strewn throughout A Kind Of Hush is a brilliant depiction of love, loss and familial ties that manages to be witty, warm, uplifting, and, just when you thought you were safe, utterly heartbreaking.

ARTS & ENTERTAINMENT

BookTrib's Bites: Featuring the Maestro, Historical Fiction and Suspense

"This Was Toscanini: The Maestro, My Father and Me"
by Lucy Antek Johnson and Samuel Antek

Arturo Toscanini is widely considered the greatest conductor of the modern age and remains a towering figure in the world of classical music. His explosive passions, dynamic music-making and legendary leadership continue to inspire and influence today's musicians while still captivating new generations of enthusiastic fans. Here is an intimate musical portrait of the Maestro, told from the perspective of first violinist Samuel Antek, who played under Toscanini's baton for 17 years in the famed NBC Symphony Orchestra.

In this expanded second edition, Samuel Antek's reflections gain sparkling new facets of insight from his daughter Lucy, with vivid recollections about her father and his most memorable musical partnership. Purchase at <https://amzn.to/3gtaPYA>.

"Lion, Tiger, Bear: The Sequel to Little Anton"
by John W. Warner IV

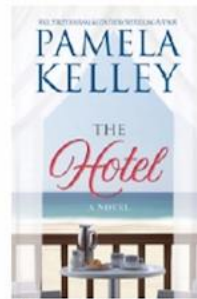

The wild adventures of Lady Beatrice, the defiant, libertine MI6 operative and WWII pilot, continue in this sequel to the epic "Little Anton," a mystery-thriller set during the 1942 African Desert conflict.

In "Lion, Tiger, Bear," the hunt is on for Bea and her team to locate a secret German mining operation, airbase and Ahnenerbe SS archeology dig in Iraq that is directly linked to the German Wunderwaffe atomic bomb, free energy and anti-gravity programs -- technologies that rely on mysterious and hidden ancient technology and philosophy.

All author profits go to wounded veteran charities. Purchase at <https://amzn.to/2V8CxCU>

"The Hotel"
by Pamela Kelley

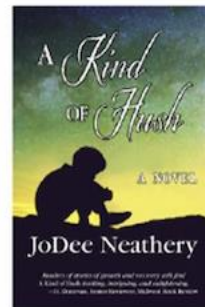

Secrets and lies ... at Nantucket's most exclusive and glamorous family-owned hotel.

Changes are in store for Paula when her grandfather promotes her and fires her cousin, who then blames Paula. Paula's grandfather also hires a consultant to help her -- David, who is in Nantucket for another reason: a difficult family issue.

Meanwhile, a blonde romantic-comedy superstar is hiding out at the hotel. She meets Paula's brother, a chef who has no idea who she is. A new family saga from the Wall Street Journal and USA Today bestselling author of "The Nantucket Inn" and "The Restaurant." Purchase at <https://amzn.to/3bHSrKb>.

"A Kind of Hush"
by JoDee Neathery

D.Donovan of The Midwest Book Review says this book will appeal to "readers of stories of growth and recovery ... as a moment in time changes a family forever." From the award-winning author of "Life in a Box" comes a novel set in Buffalo, NY, and Texas' Big Bend area exploring whether there is a gray area between right and wrong.

The Mackie family is enjoying an outing at Zoar Valley Gorge when tragedy strikes, leaving one parent dead, a teenage daughter traumatized and their seven-year-old son hiding in the woods.

Is it an accident or something more heinous? As each survivor pieces together that day, a mantle of ambiguity, a kind of hush hangs between them like a live grenade without its pin. Purchase at <https://amzn.to/3hmdtRS>.
