## PAPER DESIGNS

Since 2010, Coco Delay has been creating handmade jewelry using decorative papers from around the world. Driven by an enthusiastic spirit to design and delight, Coco Delay continues to evolve in surprising and unexpected ways.

Why the name Coco Delay? Inspired by the game combining the name of ones first pet and first street: yes, Coco Delay is my 'dancer' name.

## OPENING ORDER MINIMUM: \$250

### RETURN POLICY:

If you are not fully satisfied with your purchase, Coco Delay will accept returns or exchanges within 14 days from the delivery date. Please advise if returns or exchanges are necessary and shipping/refund instructions will be provided.

### JEWELRY CARE:

Although Coco Delay designs are sealed, they are water repellent, not waterproof. Living in Portland, Oregon, I wear mine in the rain constantly without any issues. If they end up in the shower, for instance, blot with a towel and leave out to dry. Designs are hand-crafted, one-of-kind pieces, asymmetrical and may contain subtle differences.

### PACKAGING:

Coco Delay jewelry is packaged with the utmost care.

*As a child, my mother taught me how to make little folded boxes from old Christmas cards. Thus began my love of paper and I have been passionate about paper art and design ever since.*

*When creating Coco Delay designs, I fold, roll and manipulate all types of paper from around the world but my favorite is Nepalese lokta paper for its vivid colors and malleability. My designs are durable (non-toxic sealant), comfortable and lightweight.*

*The most gratifying and surprising gift of the creative process for me is evolution. This is best expressed by Picasso: "Inspiration exists, but it has to find you working." My day begins with meditation and ends in wonderment and inspiration.*

*I hope you like Coco Delay designs as much as I enjoy creating them!*
