# Bitcoin DXB

A New Project by Blockchain DXB

## About Bitcoin DXB

Bitcoin DXB is an exclusive podcast dedicated entirely to Bitcoin, providing in-depth discussions at three key levels:

  - Beginner Level - Understanding Bitcoin, its fundamentals, and why it matters.

   - Advanced Level - Analyzing Bitcoin's economics, impact on financial markets, and global adoption.

  - Technical Level - Exploring Bitcoin mining, Lightning Network, protocol upgrades, and security.

   With over 760 episodes and 5.20 million downloads, Bitcoin DXB aims to become a leading voice in the Bitcoin ecosystem, featuring expert insights, research-driven discussions, and real-world applications.

## Exclusive Interviews

Bitcoin DXB will host high-profile interviews with:

   1. Politicians - Discussing Bitcoin's role in global and national policies.

   2. High-Net-Worth Individuals (HNWIs) - Understanding Bitcoin's impact on wealth preservation.

   3. Governments & Regulators - Exploring Bitcoin's regulatory landscape and legal frameworks.

   4. Lawyers - Delving into Bitcoin-related legal challenges, compliance, and global regulations.

   5. Educational Institutes - Educating the next generation on Bitcoin and its significance.

## Funding Requirement

Total Required: $200,000 (AED 734,000)

   Utilization of Funds:

   * 40% - Podcasting gear, production, and post-production

   * 20% - Securing high-profile guests and interviews

   * 30% - Marketing, PR, and strategic partnerships

* 10% - Ad-hoc expenses

## Why Bitcoin DXB?

- 760+ episodes and 5.20 million downloads - A proven track record in podcasting.

- Laser-focused on Bitcoin - Unlike other podcasts covering various cryptocurrencies, Bitcoin DXB remains 100% Bitcoin-centric.

- Bridging Education & Influence - Engaging both beginners and industry experts.

- Strategic Regional Focus - Covering Bitcoin's adoption and regulatory developments, especially in Dubai, UAE, and the Middle East.
