

**Riviera Village Property Owners' Association
Park and Basin Rules Attestation 2025**

1. Membership is voluntary and not required for Riviera Village Residents.
2. Use of the park and the vessel basin facilities are limited to members, and a member's immediate family and *accompanied* guests only. Membership is based on a calendar year and is renewed annually. There is one member per address. Membership Fees for 2025 are \$250 for all applicants. First time applicants after August 1, 2025, will be charged a membership fee of \$125 for the remaining portion of that year. In addition, there is a one-time \$1000 membership fee for new members only. A new member is anyone that was not a member the previous year. If you were a member and had at least one year lapse, you are considered a new member the next time you apply.
3. All applicants and those sharing the same residence are to be named on the annual application. Only those person's listed on the application will be recognized as an immediate family of the member. Proof of residency for all members and their immediate family members may be requested at any time during the calendar year by the board.
4. All members have a right to peaceful enjoyment of the RVPOA park. All members must abide by the park rules. Members or their guests who engage in any abusive or harassing behavior, verbal or physical, or any form of intimidation or aggression directed at other members, residents, guests, or invitees, or directed at board members are subject to loss of membership and dues after a hearing before a majority of the board.
5. Members and their guests using the park or basin facilities are required to clean up after themselves, including the removal of their own trash. There is absolutely no dumping of trash or building materials.
6. A member that rents their home, is not allowed to provide their access to their tenant if renting for less than 6 consecutive months to the same renter. If you wish to allow a tenant of 6 months or more to use your access, you must utilize the "Owner Applying for Tenant Application" process form which can be found on the association website. A tenant with a long-term lease (i.e., defined as 6 months or more) is the only tenant that is allowed to acquire access and use the park. You will be required to attach the rental agreement to the application. Keep in mind, there is still only one membership access per household. This agreement does not entitle any member to any additional access. You as the member, remain responsible for your tenants' adherence to the park rules.
7. Children of members may use the park; however parents are responsible for supervision of their children. Entry to the park may not be accessed by climbing the fence. Children 14 and under must be accompanied, at all times, by a parent or adult. Members are responsible for any damage to the park by their children.
8. No fishing in the basin during weekends and holidays when there is boat traffic in the marina.

9. All members will be furnished access once membership fees are paid. All gates must remain locked when not in use. Should you enter the park or basin and remain there you are required to lock the gate behind you. It is not permitted to provide any non-member, not sharing the same residence, your access.
10. All vessels entering or leaving the basin must be registered with the state. Vessels include any motorized water vehicle (e.g., boats, sailboats, jet skis). Only vessels registered in a member's name or a family member whose name appears on the application are considered member vessels.
11. All owner vessels must visibly display their assigned decal on the vessel on the transom and front of trailer upon entry to the park or basin facilities. Each set of vessel decals is \$25. There will be one sticker for the vessel and one for the trailer. Please affix the correct one. (First registered vessel \$25, second an additional \$25, etc.) Failure to display your trailer sticker while parked inside the fenced area will result in towing at owner's expense. All vehicles and trailers, boats and motorized watercraft must have decals displayed. Future inspection of all watercrafts above that does not have the decal displayed will be subject to being towed at owner's expense. There will be no warnings given prior to enforcement. If you sell your boat during the year, you can mail in your proof of sale and proof that you have a new vessel, and the decal will be replaced.
12. Dockage of a member's vessel is limited to 3 days. 3-day docking is defined as a maximum of 2 overnights. For example: if a vessel is docked at 8 pm on Thursday, that is day 1, night 1. Friday is day 2, night, 2. Saturday is day 3 and the vessel must be removed by that evening. Any amount of time that a vessel is docked in the park on any day is counted as part of the three days. Beaching of vessels is prohibited.
13. There is no overnight storage allowed for any type of vehicles or trailers inside the locked fence area. Violation will result in towing at the owner's expense. No trailer can be parked inside the fence at any time unattached to the owner's vehicle. No cars without trailers, golf carts, campers, or any other motorized vehicle are allowed in the park at any time with the exception of golf cart owners that possess a valid handicapped placard who can apply for a sticker to bring the cart inside and park in the designated area near the beach only.
14. Accompanied guests (those accompanied by a member) may launch their privately owned boats but are not allowed to dock in the basin or park vehicles or trailers in the park at any time. They may park vehicles and trailers outside the locked fence area. Commercial boats or boats used for charters, rentals or tours are not allowed use of the basin at any time. Use of the park or marine basin for any business activities is strictly prohibited.
15. Available dock space must be utilized to maximize efficiency in order to minimize the need to move vessels to accommodate members wishing to use the dock. Rafting is not allowed in the basin. Boats not efficiently docked may be repositioned to allow maximum efficiency.
16. The loading dock, adjacent to the ramp, is to be used for loading and unloading of passengers and gear only.
