Rules & Regulations

1. All exhibitors agree to be bound by the rules and regulations of the Middletown Grange Fair.
 2. Each exhibitor is required to have a unique, computer generated, exhibitor number.
 3. QR Coded Entry Tags are required for each exhibited item and must be obtained from the Grange Fair Entry Center, Building 3A before any item is submitted for entry in any department. Old tags will not be accepted. Entries should be made online. However, entry tags can also be obtained at the Fair Entry Office.
 4. **Pre-entry and tag pickup is available on Saturday, 8/9 and Sunday, 8/10 from 10am-4pm. We strongly recommend pre-entry!**
- Entries for exhibit are accepted Monday, August 11 **only. This means that even if you pre-register, you must bring the entries on Monday, 8/11.**
- **The only exceptions to this rule are for Dept 21 (Wine and Beer) and Senior Care Communities. See those department listings in this guide for further information.***
5. Reasonable care will be taken to protect all exhibits on display from injury and damage but the fair is not, in any way, to be held responsible for accidents, loss or damage by water, fire, theft, or otherwise, whatever may be the cause or extent of the damage or loss. Any person detected tampering with the exhibits will be dealt with according to the law.
 6. Entries will be made according to classification, determined by the Exhibitor.
 7. It shall be the responsibility of the exhibitor to make known the proper name of the article or breed of livestock he is entering. Any item entered improperly will be disqualified to receive a prize, but the judges will mark the correct name on the entry tag for the benefit of the owner so the same mistake in entering need not be made the second time.
 8. All entries will be grown, produced, or made since the last fair by the exhibitor.
 9. Chairmen of departments reserve the right of refusing to accept any entry. Furthermore, the Chairmen reserve the right to bar from competition animals, vegetables, flowers, products, and manufactured articles of decidedly inferior quality and those not possessing sufficient merit to warrant recognition.
 10. Entry tags will NOT be printed after 7:45 on Monday. This will allow our Department chairman time to accept entries **BEFORE** the 8:00 P.M. Deadline.

11. Entries must NOT BE REMOVED before 4:00 P.M. Sunday, the last day of the Fair, in order to participate in the payment of premiums or awards.

Sponsors of Online Entry System: Leidy's Premium Meats

12. Only items (CLASSES) listed in this catalog will be accepted and judged.
 13. If proper conduct is NOT displayed by exhibitors, they will be asked to leave and will be disqualified from further showing.
 14. Items not picked up Sunday are typically discarded after a 'reasonable' time, unless prior arrangements have been made.
 15. As participation in our event is by invitation, any exhibitors and their related parties who engage in behavior that is deemed offensive, violent, disruptive, or otherwise objectionable to the Directors of the Middletown Grange Fair are subject to immediate dismissal and expulsion from all current and all future Fair events. Situations may be decided on an individual, case-by-case basis by the Directors of the Middletown Grange Fair.
 16. The fair management reserves the right to amend or add to the rules & regulations.
- ## **Awards & Premiums**
- Ribbons are awarded for 1st, 2nd, 3rd places, unless otherwise designated. In cases where there is not competition, judges may give an award such as they deem the exhibit is worthy to receive. The same rule applies when there are fewer entries in any class than the number of premiums offered. The judges may award a prize or prizes of such grade as the exhibit deserves. The fair reserves the right to determine how many entries will be accepted from an exhibitor in the same class or in the case of livestock, the same breed. The decision of the judges shall be final in all cases except where mistakes, fraud, misrepresentation, or collusion, not discovered at the time of the award, is proved. The Chairman of the Fair, or such referee as he may appoint, may make the decision.

Unless otherwise noted in the Department listing, all premiums are:
1st Place: \$5.00 2nd Place: \$3.00 3rd Place: \$2.00

Award checks should be picked up in the Grange Fair Entry Center, Building 3A, on Sunday, the last day of the Fair, between 4:00 and 6:00 P.M. You may also drop off a self-addressed stamped #10 envelope (4" X 9 1/2") during the Fair and your check will be mailed to you. Checks will not be mailed unless a SASE envelope has been provided or previous arrangements have been made. **Any checks not picked up Sunday and without providing the self-addressed envelope will be donated back to the Grange Fair.**

Premium award checks must be cashed within 90 days after the last day of the fair. After 90 days, uncashed premiums will revert back to the Grange Fair's general fund.

If you wish to donate your award check back to the Grange Fair, thank you!

Please endorse the check and deposit it at the Fair Entry Center, Building 3A.

Winners' names and likenesses may be posted on social media.

Entries are accepted for check-in at the Departments on **MONDAY ONLY** between 10:00 a.m. and 8:00 p.m., except wine and beer entries

- All Classes are open to the public.
- Note entry deadlines for each department.
- Exhibitors do NOT have to be Grange Members.
- Only ONE entry per Class, per person will be accepted.
- Items previously entered will NOT be accepted.
- All entries must be checked in and out by Fair Department personnel.
- Each person entering an exhibit in the Middletown Grange Fair MUST have an Exhibitor's Identification Number and a computer generated tag for every item they are entering in the Fair. These tags are required prior to submitting your items at the Department Buildings.

Entering Online

Entries can be made online at www.middletongrangefair.org.

The system will walk you through the process. Please note that you will be selecting your specific classes for each item during the entry process instead of at the Department building on Monday. This should make dropping off your entries much quicker.

If you enter online more than once, please do not repeat your entries. The system remembers all previous entries.

Fees for online entries will be paid at the Fair Office upon pickup of your entry tags. By entering online, you will avoid long lines at the Fair Office and you can

pick up your tags and pay your fee. Changes or additions to your entries can be made at this time. If you can't pre-enter online, entry tags can be obtained at the Fair Entry Office.

Fair Entry Office Hours

Saturday, August 9- 10am-4pm
 Sunday, August 10- 10am-4pm

Exhibitors must be 4-H members carrying a project in the field in which they wish to make an entry, and be under the supervision of the Pennsylvania State University Cooperative Extension Service by the project deadline date preceding the Fair. About 4-H

4-H is a community of young people across America learning leadership, citizenship and life skills. 4-H enable kids to have fun, meet new people, learn new skills, build self-confidence, learn responsibility, and set and achieve goals. Kids learn by doing cool things! If you’ve heard that 4-H is only for farm families, think again. 4-H reaches youngsters in cities, suburbs, and rural areas. In fact, 4-H is the largest youth organization in the world. Anyone aged eight to 18 may participate in the 4-H Youth Development Programs in Pennsylvania.

4-H is the youth development education program administered through Penn State Cooperative Extension offices in all of Pennsylvania’s 67 counties. Members can participate in club, county, regional and state events. 4-H activities include club meetings, project round-up, tours, trips, community service, special interest programs, overnight and day camps, club officer and leadership training.

Bucks County 4-H has many different program opportunities in clubs and in schools. There are over 45 traditional 4-H clubs in Bucks County that do a multitude of projects such as sewing and textiles, knitting, woodworking, rocketry, electricity, foods, plants, computers, wildlife, natural resources, photography, crafts, health, fitness, citizenship and leadership development. Bucks County offers gardening and environmental clubs. Short term 4-H classes include babysitting, fly fishing, knitting, pet care, photography, public speaking, wacky science, and wool spinning. All completed club and short term projects may be exhibited and judged each summer during the 4-H Round-Up at the Middletown Grange Fair in Bucks County. After School 4-H Clubs offer educational materials and training for after school staff at sites in Bucks County.

Need things to do over the summer?

4-H ANIMAL EXHIBITS RABBITS AND CAVIES

Wednesday, 10:00 AM
Rabbits and cavies (guinea pigs) are the perfect animal for many 4-H members who do not have enough land to own livestock. Our 4 clubs teach members the proper care and management of these delightful little creatures. Whether they are a pet owner or are aspiring to breed or show their animals, through their 4-H Rabbit/Cavy club, members gain knowledge in nutrition and health, general care, management, record keeping, and responsibility.

The 4-H Rabbit & Cavy Clubs in Bucks County are:
Carrot Crunchers - Telford Area • Fuzzy Buddies - Bristol Area
Little Rascals - Wrightstown Area • Fuzzy Critters - Wrightstown Area

POULTRY

Wednesday, 10:00 AM
Bucks Clucks is the name of the poultry club in Bucks County. Members raise many different kinds of poultry including chickens, turkeys, gamebirds, ducks, and geese. In this club, members enjoy learning how to care for their birds and also participate in exciting events such as listening to educational speakers at club meetings and showing their birds at the Middletown Grange Fair! The state may cancel poultry contest at any time due to communicable disease.

PIGS

Wednesday, 6:00 PM
Market Hog Sale: Saturday, 3:00 PM
The Pig Club teaches members how to raise a market hog. The project involves buying a 40 lb. feeder pig in May and then feeding it out to have a 250 lb. market hog at the fair. This is meant to be a terminal project as all of the hogs are auctioned off on Saturday. The public is welcome to come and buy a hog. We take care of transporting it to be processed for your home freezer.

ALPACAS

Wednesday, 3:30 PM
The alpaca is a wonderful companion animal. We have 2 clubs in Bucks County that offer a unique opportunity. The club members meet on the farms and work with the farm's animals. The owners transport the alpacas to the fair for the members to exhibit them in showmanship, obstacle and gambler's choice show classes. So, you don't have to have a farm or own alpacas to be in these clubs! Pronk-ing Pacas – Quakertown Area • Paca Pals – Bedminster Area

GOATS

Thursday, 10:00 AM
Goat Obstacle Demonstration: Sunday, 2:00 PM
The Livestock Club is great for youth because you don't need a big investment in ground, buildings, or fencing. Goats can be raised on a small amount of property. The 4-H Goat Show is an exhibition of 4 types of goats: Dairy, Meat, Fiber, and Pygmy's. Dairy goats are for milking and cheese making, meat goats are for their meat, fiber goats produce cashmere or mohair fiber and pygmy's are for meat or companion animals. The show will culminate in selecting the Best of Show from these 4 types.

REPTILES

Friday, 3:00 PM
Scales N' Tales is the name of the reptile and amphibian club in Bucks County. Members may raise many different kinds of reptiles/amphibians including bearded dragons, lizards, snakes, frogs, and turtles. Members learn husbandry, proper handling, behavior, habitats, as well as the biology of reptiles and amphibians. They take field trips and show at the Fair.

SHEEP

Friday, 4:00 PM
Members showing sheep are part of The Livestock Club. They can choose any breeding or market sheep to raise and show and are judged on Fitting and Showmanship as well as the standard for each breed. Sheep are prized for their fleece, which can also be shown in the Fair Wool division.

DAIRY CATTLE

Saturday, 10:00 AM
Please refer to General Rules & Department 2 – Dairy Cattle, for health regulations & rules.
The Bucks County Dairy Club is for members that want to exhibit Dairy cattle. Youth explore dairy cattle breeds, select calves, identify body parts, recognize desirable traits, pack a show box, groom and show a calf and identify stages of calving and care. A limited number of animals are available on a lease program so members don't need to own their own dairy cow.

BEEF

Saturday, 6:30 PM
The Bucks County Livestock Club is for members that want to exhibit a beef breed heifer or a market steer. The market steers can weigh up to about 1300 lbs., so the members have to be well instructed on how to handle these big animals! Strong barn facilities, good fences and a lot of knowhow are needed to get these animals to the correct weights. Members learn how to properly care for and feed their cattle. They want to have their steer's grade choice, so this takes a lot of knowledge and skills. Come out and see the Grand Champion steer at the end of the show Saturday night!

Definition of terms:

- Butters: Sugar fruit or nut Butters only. Refrigeration is unavailable.
- Jelly: is clear and sparkling and has a fresh flavor of the fruit it is made from. It is tender enough to quiver when moved, but holds angles when cut.
- Jams: are usually made from the pulp and juice from one fruit, rather than from several fruits. Berries and other small fruits are most frequently used, though larger fruits such as peaches cut into small pieces or crushed are also used. Good jam has a soft, even consistency without distinct pieces of fruit; a bright color, a good fruit flavor and a semi-jellied texture that is easy to spread but has no free liquid.
- Marmalades: are usually made from fruits which have jelly – making properties. They have a clear jelly in which thin slices or small pieces of fruit are suspended.
- Preserves: are whole fruits or pieces of fruits cooked in heavy sugar syrup. A special effort is made to keep the fruit as whole and well-shaped as possible. Good preserves are plump and tender with natural color and flavor.

DEPARTMENT 17: FLORAL EXHIBITS

Rules

1. All specimens and arrangements will be placed BY THE COMMITTEE.
2. The show will adhere to all conservation rules.
3. All specimen entries must be grown by the exhibitor.
4. Accessories are permitted in all arrangement classes. However, the committee reserves the right to refuse antique or otherwise valuable accessories.
5. It is the responsibility of entrants to claim their entries. All entries must be picked up from 4:00 P.M. until 6:00 P.M. on Sunday the last day of the Fair.
6. It shall be the responsibility of the exhibitor to make known the proper name of the article he is entering. Any item entered improperly will be disqualified, but the judge will mark the correct name on the entry to benefit the exhibitor.
7. Use of artificial flowers is PROHIBITED.
8. The show will be closed to the public during the judging!

Specimen Flowers — Annuals and Perennials

Must be cut flowers grown by the exhibitor and must conform to the number of blooms, spikes, stems, or sprays (a main stem with blooms on all side branches) specified in each class. Remove buds showing color to maintain correct numbers of flowers. Leave some foliage on stems. Flowers in each entry must be of one color and variety unless otherwise stated. Identify variety. Use specimens nearing maturity — but not in full bloom.

Container Grown Plants

All exhibits in this class must be planted by exhibitors no less than 30 days prior to fair.

How to condition flowers for the show:

Cut flowers with a sharp knife early or late in the day, plunging immediately in WARM water - let stand in cool place for several hours before arranging. Try using FLORA-Life or 12 ounces of Sprite (soda) in 1 gallon of water in arrangement container. In advance you may groom side buds to create larger blooms.

The Illustrious History Of The Middletown Grange Fair

The Middletown Grange Fair began in 1948 as a project of Middletown Grange to participate in a national contest sponsored by *Farm Journal Magazine*. The goal was to raise 300 bushels of corn to an acre. Grange members planted the corn on Heston Manor Farm near Yardley. In October the crop was hand harvested with a yield of 105 bushels per acre. At that first fair, there were exhibits of farm machinery, supplies, automotive and household goods, and the public attended.

The Fair grew quickly. By the early 1950s, it featured cattle shows, tractor driving, fashion shows, machinery parades, square dancing, high school bands, television personalities and 4-H activities. The famous chicken barbecue dinners were introduced in 1954 when the Fair extended to a three-day event including evenings. A Horse Show was added in 1965.

In 1966, the Middletown Grange purchased a tract of land in Wrightstown which became the site for the Fairs. Two permanent buildings were built in 1976 to house the multiple Grange Fair exhibits, flowers, vegetables, hay and grain, needlework, arts and crafts, and the many displays of 4-H members. From a Grange family's contribution, a Judging Arena was built in 1991. In 1993 and 2020 the Middletown Grange Fair was awarded the winner in Zone IV for overall excellence in production of a quality Fair by the Pennsylvania State Association of County Fairs. In 1997, it was extended from a three to a five-day fair.

Today, the Middletown Grange Fair attracts hundreds of exhibitors and thousands of attendees from near and far. Producing a Fair on this scale is no small feat, and we could not do it without the generosity, time and energy of our volunteers, exhibitors, sponsors, community partners and YOU. Your support allows us to carry on the great traditions of those who founded our Fair. With your continued support, we will ensure that it goes strong for many years to come!

We Honor Their Legacy

Please join us in honoring the great legacy of our friends and members of our Grange who are no longer with us. They created an enduring foundation for the Fair that continues to bring joy to us all.
