

# °STELPRO

## CUSTOM DUCT HEATER

OEMG SERIES

## CUSTOMIZED COMFORT!

°STELPRO's OEMG series custom duct heaters are specifically designed to complement the FBQ and FXMQ units by Daikin with a back-up electric heat source.

### MODULAR ELECTRIC SECTION

FACILITATING THE INSTALLATION AND MAINTENANCE

### INNOVATIVE ELECTRONIC CONTROLS

AUTOMATIC CALIBRATION FOR PRECISE MODULATION

### ULTRA-PRECISE AIRFLOW SENSOR

### DESIGNED FOR OPTIMAL COMPATIBILITY

### 3-YEAR WARRANTY

### MADE IN CANADA

### FINISH

20 to 16 gauge galvanized steel cabinet resistant to corrosion

### MANUFACTURING

- removable electric elements
- double thermal protections (manual and automatic)
- neoprene gasket

### ELEMENTS

- open, nichrome elements
- modulation of the elements by the SSR technology to maintain a constant temperature using only the required energy

### CONTROL

- electronic control
- adjustable electronic temperature sensor
- electronic airflow sensor
- certified contactor

### INSTALLATION

- "zero inch" clearance from flammable materials
- Daikin control card KRP1C74 required
