INNOVATION

Suntravel, your trusted partner in efficient cargo transportation and logistics solutions. With over 2 years of experience in shipping from Nairobi to DRC, Suntravel is now expanding its services to connect Dubai and China to various cities across the Democratic Republic of Congo.

Whether you're in Goma, Bukavu, Kinshasa, Lubumbashi, or beyond, Suntravel ensures your goods reach their destination swiftly and securely

WORK DONE

We successfully facilitated the air transport of essential medical equipment to Goma, along with computer science materials for IOM in Bukavu. Our commitment to supporting critical logistics for healthcare and education underscores our expertise in handling specialized cargo efficiently and reliably.

FLEET

- Boeing 737-400 Freighter – a modern cargo aircraft capable of carrying up to 13 tons. Ideal for fast regional and international deliveries on short- and medium-haul routes.
- Boeing 767-232 (BDSF) Freighter – a larger cargo aircraft with a capacity of up to 40 tons. Perfect for long-distance freight transport, offering reliability and high-volume capacity.

Both aircraft comply with European Union regulations (EU-regulated), ensuring the highest safety standards and on-time deliveries.

Handling

"At Suntravel, we take care of every aspect of cargo handling so that our customers never have to worry about loading or unloading. From pickup to final delivery, we ensure a seamless and efficient logistic experience, allowing you to focus on what matters most—your business."

Sea Freight Operations

"At Suntravel, we pride ourselves on providing the fastest container release services, ensuring swift and hassle-free logistics. With an outstanding track record, we consistently deliver containers to Kigali Magerwa within just two weeks, setting a new benchmark for efficiency and reliability in freight forwarding."
