

Leith Rules Golf Society 1744

The Foulis Medal at Leith Links - Friday 8 July 2022

The Foulis Medal was presented to Leith Rules Golf Society in 2007 by the Society's first President Douglas Foulis. It is competed for annually by Leith based organisations playing two rounds (10 holes) medal play over Leith Links in foursomes format. No handicaps are involved.

This year the competition was played on the evening of Friday 8 July with seven teams competing. In comparison to the previous year the weather was dry and fine but was accompanied by a stiff breeze.

The medal was won by last year's winners South Leith Church represented by Alastair Chalmers and Alex Fleming with a solid score of 42. In second place four shots behind were Leith Franklin Cricket club.

The full list of scores as follows:

South Leith Church	42
Leith Franklin CC	46
Leith Links Community Council	48
Leith Local Historical Society	50
Leith Rotary	51
Three in One	54
Leith St Andrews	61

After golf the players, friends and marshals assembled at Seafeld Bowling Club. LRGS Secretary Robin Miller welcomed the company and invited Yves Foulis to present the medal to the winners Alastair Chalmers and Alex Fleming.

In concluding remarks Robin commented that shot of the match had to go to Three in One whose tee shot at the 6th hit the path on the left of the hole, hit the wall, hit a tree, then another tree and bounced on the path back in bounds. Three in One capitalised on their good fortune with a nice chip and an easy two putts for their four. As always in golf it's not how but how many.

The evening ended with a vote of thanks to Seafeld Bowling Club.
