### What Did We Do at the Women's Retreat?

We laughed, cried, and made blankets for African babies. Pam took us to Africa to visit K&K. With Cindy we learned about being a royal in Europe. Terri showed us the crowded streets of Asia and we explored how God really cares for us. In Antarctica we felt the coldness and learned what a Penguin huddle is. We played games and ate food from around the world. Thank you, Lisa, and all the women who helped with that.

Just where would any of our retreats be without Sherry, who has decorated for us these last few years, she does a tremendous job! I have a friend Evelyn, who organizes everything for me, so all goes smoothly. It would never look as good or go fluidly without them. Thank you both so very much! Janice took us to down under Australia, and what it feels like to isolated and alone. Where is God when I feel like that? North America was about the future and where God is taking us. Our guide through Latin America was Ann. She taught us that we can really rely on God! Isaiah 40:27 - 31 So, what did we do at the Women's retreat? We read scripture, Jenny led us through worship to the Father, and loved each other as sisters. ~Denise B. Retreat Coordinator
