## CONVERSATIONS: A SIMPLE APPROACH TO SHARING THE GOSPEL

And he said to them,  
“Go into all the world and proclaim  
the gospel to the whole creation.”  
—Mark 16:15 ESV

Even though every Christ-follower  
is called to regularly share their  
faith, few actually do.  
Conversations: A Simple Approach  
to Sharing the Gospel is an excit-  
ing new way The  
Gideons International seeks to  
partner with pastors and local  
churches through offering

a personal witnessing training course. Through this two-hour course,  
participants will discover the simplicity of the Gospel and learn practical ways to share their  
faith with confidence.

### ***You Are Invited to Attend:***

*Conversations: A Simple Approach to Sharing the Gospel.*

**Saturday April 18th** 9am-noon in the Historic Church. Everyone is invited including family,

## Glimpses and updates from Healing Health & Life Skills Ministry

Over the past year, I have been quietly and intentionally growing in how I support those I work with. I am now certified as an Elite Brain Health Coach through Amen University, deepening my understanding of how our brain shapes the way we think, feel, and move through life. Alongside this, I am continuing my training in trauma healing and learning how to help regulate a dysregulated nervous system, so I can offer care that supports both the mind, the body and the Spirit.

At the heart of this work is a deep belief that healing happens in layers, and that even in the hard places, we are not alone. God is our steady anchor in the storm, present in every small step toward healing, restoration, and peace.

### **Why Brain Health Matters:**

- The brain influences our thoughts, emotions, and responses to everyday life
- Healthy brain function supports clarity, emotional balance, and wise decision-making

Caring for the brain strengthens resilience and overall well-being

### **Nervous System & Trauma Support:**

- A dysregulated nervous system can leave us feeling stuck in stress, overwhelm, or shutdown
- Learning gentle regulation skills helps the body return to a place of safety and calm

Trauma-informed care allows healing to unfold slowly, with compassion and grace

I serve from my own places of brokenness, where God has gently and graciously restored me and continues to grow me in His healing ways. In the midst of life's storms, He has been my steady anchor, and it is a privilege to walk alongside others and share what He is teaching me.

Terri B.
