Project Love Thanks

A BIG THANK YOU FROM PROJECT LOVE !! Amidst all that is going on in the world, our Congregation and friends have stepped up and have given very generously with cash, meat, food, presents, and household products to make sure 20 of our local area families had a very Merry Christmas!!! The Project Love Committee would like to extend our appreciation for all this generous, thoughtful spirit of giving!!! A special thanks goes out to the Powell Butte Charter School who put together a very successful school-wide food drive for Project Love that produced over 100 bags of food and household products!! The bags were delivered to the Pantry by the older students, who appeared happy to be involved in our project and help those in need. This was a very pleasant surprise that came to us after we had filled Christmas boxes and the pantry was getting low. Now the pantry shelves are full again, prepared to better distribute Easter boxes and whatever needs might arise! The recipients are always very appreciative and thankful to receive this help. We always let them know that there are MANY in the church who are very generous and we really want them to know that it is God's love for these people that inspires this Church to this mission. Most of these families and possibly additional families will be provided boxes at EASTER.

THANK YOU AGAIN! PROJECT LOVE (FOOD PANTRY COMMITTEE)
