FREE LITTLE LIBRARY

Check out the **Free Little Library** on the church property. It currently contains books for adults and children.

A Little Free Library is a free book sharing box where anyone may take a book or share a book.

They function on the honor system. You do not need to share a book in order to take one. If you take a book or two from a little library, try to bring some to share to that same library, or another in your area, when you can.

Have you read a good book lately you would like to share?

If you have a couple encouraging teen, adult or children's book in good shape that you would like to donate, drop off at the office, with a note attached what they are for or leave in the little library.

*The Little Library is on the south side of the church. (We are limited on space to keep books to put in the box so we are not able to take a lot of books). **Stop by Sunday or any day and take a look and see if there is a book for you!

is to the **BODY.**
